

'Mooseum' opens at Hillside Farms

The Lands at Hillside Farms unveiled a new museum featuring antiques, homestead Americana, vintage farm equipment and relics from years past.

Members of this year's Leadership Wilkes-Barre class celebrated the "Mooseum" Makeover Grand Opening Celebration on April 9.

The leadership class had been hard at work on the "Mooseum" project for the past eight months and, in that time, gave one barn a complete facelift, transformed the former hay shed it into a museum to educate the region's youth on the farm, its history, role and importance in influencing local agriculture and culture.
