HOMETOWN HEROES

The Dallas Lions, in partnership with Frontier Communications, has concluded its sponsorship campaign for the Hometown Hero project. The project consists of banners being displayed just before Memorial Day on street poles throughout Dallas Borough.

This year, 27 past and present veterans will be featured on the banners. The veterans were sponsored by family members, friends and neighbors throughout the area. Although the banners represent individual veterans, Lions Club members hope the display represents all area veterans past and present who have served and sacrificed to preserve and defend our freedoms.

The banners will be on display throughout the summer and conclude on Veteran's Day at which time they will be given to the family members and/or sponsors.
