

Knights of the Round Table inducts 1st class

The Lake-Lehman Knights of the Round Table has been instituted to honor eminent individuals, establish a sense of school and community pride and preserve the tradition and excellence of Lake-Lehman graduates.

The organization is comprised of honorary inductees and graduates who have made significant societal contributions.

Two events honoring inductees of the Knights of the Round Table class of 2011 were held over the Memorial Day weekend. An Ice-Breaker was held May 27 in the library of the junior-senior high school. Inductees and their families were invited to an Induction Ceremony Brunch on May 28 at Irem Temple Country Club.

Honorary inductees for service to the Lake-Lehman School District included Robert Z. Belles, James L. Nicholas, Antony Marchakitus, John Zaleskas, Edward Edwards and Edmund Narkiewicz.

Meritorious inductees for societal contributions included Joseph Kishkill, class of 1982; Frederick Brown, class of 1964; Harriet Litrenta, Class of 1974; and Julie Napieralski, Ph.D., class of 1984
