GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Supervisors award paving project and authorize solicitor to review bridge relocation project bid

The board of supervisors awarded a bid for a paving project at a special meeting Monday and authorized the township solicitor and engineer to review a bid received for the Hillside Bridge sewer relocation project.

The board received a lone bid for \$100,600 from Multiscape Inc. of Pittston for the sewer relocation project. No bids were received for the project at a special meeting earlier this month.

Township Engineer Greg Supey said the bid is twice the amount he expected for

Township Engineer Greg Supey said the bid is twice the amount he expected for the project. Solicitor Jeffrey Malak said the township reserves the right to refuse any bids.

the project. Solicitor Jeffrey Malak said the township reserves the right to refuse any bids.

The Hillside Bridge replacement project has been a work in progress since it was initially damaged in 2006. The township must relocate a sewer line before work can commence. The bridge is controlled by the county, as is another bridge located on Chase Road, and work should begin on both bridges this fall or in spring of next year.

The board also awarded a bid to B.J. Paving of Shavertown in the amount of \$93,730 for the pavement of Bulford, Blueberry Hill, Deer Hill and Cross Creek roads and Pinecone Lane.
