Warriors come to town, take home win

Wyoming Area gridders who spent most of the previous week cleaning up from the historic flooding that devastated their hometown came to Lake-Lehman to play football last Friday night, taking home a 43-10 victory.

The game had originally been scheduled to be played at Wyoming Area but was moved to Lehman because of the massive flooding throughout the West Pittston and Exeter areas.

Last year, in a game at Lake-Lehman, the Knights rallied from a 26-0 deficit and beat Wyoming Area, 42-39.

The Warriors scored twice in the final 75 seconds of the first half and then decisively closed out a victory over the Black Knights.

Nick O'Brien led the charge for the Warriors, spending most of the game at quarterback but also lining up at tailback for a few drives.

At the end of the night, he figured in on five of the Warriors' six touchdowns, finishing with 218 yards and four scores on the ground while also passing for 64 yards and another score.

Lake-Lehman running back Nick Shelly sweeps around Wyoming Area to score a touchdown during the first half of play.
