GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Boback praises governor's order

Rep. Karen Boback (R-Columbia/Luzerne/Wyoming) praised a recent executive order by Gov. Tom Corbett that directs state government entities to better inform Service-Disabled Veteran-Owned Small Businesses Enterprises (SDVBE) and Veteran-Owned Small Business Enterprises (VBE) about state government contracts.

Boback was one of more than 100 co-sponsors of legislation authored by Rep. Nick Miccarelli (R-Delaware) to increase the participation of veteran-owned and service-disabled veteran-owned business in

state public works projects. Executive Order 2011-10 states, "The purpose of the executive order is to ensure that agencies substantially increase opportunities for VBEs and SDVBEs to participate in Commonwealth contracting opportunities as contractors, subcontractors, suppliers and professional service providers."

The Department of General Services (DGS) will oversee the effort and establish a certification process for VBEs and SDVBEs. DGS also will contact VBEs and SDVBEs, along with veteran organizations, to inform them of procurement opportunities and to solicit their participation. In addition, it will identify and contact appropriate non-profit organizations that employ veterans with disabilities to make them aware of possible contracting opportunities.

All state government agencies are directed by the order to participate in outreach activities and solicit VBEs and SDVBEs to compete for contracts.

The order also states that, when permitted by law, agencies should consider the VBE and SDVBE status as a factor in the procurement process.
