Catholic Schools Week January 29 - February 5, 2012

Catholic schools, particularly those in the Diocese of Scranton, pride themselves on offering an education that is academically excellent and spiritually sound.

This year's Catholic Schools Week theme, "Faith. Academics. Service." stresses the priorities that define Catholic schools. Students are taught **FAITH** - not just the basics of Christianity, but how to have a relationship with God. **ACADEMICS** in Catholic schools are held to a very high standard, enabling students of all abilities to reach their potential. And **SERVICE**, the giving of one's time and effort to help others, is taught both as an expression of faith and good citizenship.

Join us in celebrating the gift of Catholic schools by attending one of our open houses or by contacting any of our schools directly.
