GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

DAMA will begin collecting recycling every week to help manage volume

Customers have responded favorably to adoption of single-stream recycling.

Due to the overwhelming positive response by Dallas Area Municipal Authority solid waste and recycling customers in the adoption of single-stream recycling and to help manage the increased volume of recyclable materials generated as a result of this collection method, DAMA will begin collecting recycling every week effective the week of February 20.

The recycling format will re-

main single-stream; however, residents will now be able to place all recycling to include paper, glass, plastic and metal cans curbside in the same container for collection every week.

During the month of January, DAMA collected approximately 25,000 bags of trash and 144 tons of recycling.

Residents are reminded of the following program guidelines:

Trash and recycling must be placed curbside by 6 a.m. on the scheduled collection day. Trash must be placed in bags. Residents who choose to use

containers must bag trash before placing it into containers as no loose garbage will be collected.

There is a two bag or two standard 33-gallon container limit on trash. Additional trash must have extra bag stickers.

Residents are asked to place recycling curbside in open containers or bags, indicating to the recycling loaders which bags to collect.

Coal and wood ashes must be bagged or boxed, and marked "ashes" as these are removed at no charge to residents and do not count against the bag limit.

Free tax preparation available

Rep. Karen Boback (R-Columbia/Luzerne/Wyoming) reminds residents about a free tax preparation service available through the IRS Free File Program, which helps taxpayers who earn \$57,000 or less annually.

The program, instituted in 2003, offers free assistance with tax preparation and on-line filing through a partnership between the Internal Revenue Service (IRS) and the Free File Alliance, a coalition of tax software companies.

Eligible individuals who want to take advantage of the service may visit www.irs.gov/freefile to find a list of Free File Alliance member companies. After choosing

a tax software company, the participant will be transferred to an outside website through which he or she will prepare, complete and electronically file his or her federal income tax return.

Up to 70 percent of Americans are eligible for the free federal tax assistance, but the program is for federal taxes only and does not extend to Pennsylvania state income taxes.

Information about filing Pennsylvania state taxes online is available at Revenue.state.pa.us.

There are several options for individuals who wish to donate their state tax refunds to non-profit organizations.
