Friendship House is looking for qualified candidates to join the new and exciting Early Childhood Clinical Home Team for Trauma Informed Care.

The team will provide services and interventions that are sensitive to trauma histories of the youth and family and promote healing and recovery in the community.

Mental Health Professionals: The clinical professionals on the team are Master's degree prepared clinicians. Training and experience in family systems and trauma informed care preferred. Must have one of the following licenses/certifications:
1. License in social work
2. License in psychology
3. License as a professional counselor
4. License in nursing with additional certification by the American Nurses Credentialing Center (ANCC) or the American Academy of Nurse Practitioners (AANP) certification as a Certified Registered Nurse Practitioner
5. Certification as a national board certified counselor.

Behavioral Health Worker: The BHW is a bachelor's prepared individual with at least 2 years experience in a clinical setting. Under the supervision of the MHP, the BHW implements the individualized interventions, conducts observations of youth, tracks progress on treatment objectives, provide group and family sessions under the direction of the MHP, and performs case management and crisis intervention functions.

Both the Mental Health Professionals and Behavioral Health Workers are full-time positions and require a flexible schedule.

Please submit a resume to:
