

Leadership Wilkes-Barre team partners with Blue Chip Farm

Group raises money for animal refuge by collecting at Little Theatre show.

A group of Leadership Wilkes-Barre participants assisting the Blue Chip Farms Animal Refuge in Dallas recently partnered with the Little Theatre of Wilkes-Barre to raise funds for a project. The group volunteered at

the theatre during five performances of "Chicago."

At the end of each show, cast members took a collection from the audience to support Blue Chip Farms, a no-kill shelter that takes in abused and abandoned animals.

The funds are being used by the Leadership group to complete maintenance and sign projects at the farm

and to host an appreciation picnic for the organization's volunteers.

Additionally, the Leadership Wilkes-Barre group has held several supply drives to gather items needed by the Farm for the care of the animals.
