536 IT/Software Development

Technology Coordinator

MMI Preparatory School in Freeland, PA seeks a dynamic, results-oriented individual for the position of Technology Coordinator. Candidates should have a strong background in systems level network administration in a Microsoft environment.

Must be able to maintain and develop all aspects of the network. The candidate will also have some teaching responsibilities.

A Bachelor's degree and five to seven years experience in information technology management, preferably in an educational environment is required.

The successful candidate will work as part of dynamic, high energy educational team and will have strong interpersonal, communication, and organizational skills.

A complete job description for the Technology Coordinator position as well as information on MMI is available on our website at www.mmiprep.org/about-us/employment.html.

Interested candidates should e-mail their resume to espencer@mmiprep.org.
