GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Volunteers needed for library auction

Volunteers of all ages (13 and up) have an opportunity to support the Back Mountain Memorial Library. There is a wide variety of jobs (no skill required) and hours available during the library's annual auction.

Set-up dates are Sunday, July 1 through Tuesday, July 3. Tasks include moving items to the sales tents, arranging merchandise and hanging banners. Set-up hours will be mostly during the day.

Auction dates are 4 to 11 p.m. Thursday, July 5 through Sunday, July 8. Tasks include staffing booths, keeping the grounds clean and helping with directing traffic in parking areas (at the library and at the

satellite lot at the Dallas Shopping center). There is a need for strong men during the auction to help move larger items to the auction stage and to the pickup area where buyers can load their purchases into their vehicles.

Post-auction cleanup will be on Monday, July 9. Tents will be removed by the rental company but volunteers are need-

ed to remove display tables, clear trash and make sure the grounds are ready for the farmers market that takes place the following weekend. This is a one-day process.

To volunteer or for more information, contact Diana Berry, volunteer coordinator at 675-0167 or by e-mail at dlberr@epix.net or call the library at 675-1182.

Donations are sought for plant booth

Cheryl Whitesell, chairperson of the Plant Booth at the Back Mountain Memorial Library Auction, asks that while planning flowers beds this spring you consider donating perennials to this

year's plant booth. The auction is scheduled for July 5-8 on the library grounds, Huntsville Road, Dallas.

For more information, call Whitesell at 256-0109.

FOR THE RECORD ...

A story in the May 20 issue of The Dallas Post headlined "Residents demand water testing" needs a correction. The third paragraph of the story should have read: "Both DEP and Chief maintain that the incidents did not cause any harm to environment and that the mud, which isn't toxic, was contained and removed by a vacuum truck." The Dallas Post regrets the error.
