

PSU Alumni plan tourney

The Penn State Wilkes-Barre Alumni Constituent Society will host its 17th Annual Penn State "Masters" Golf Tournament on Friday, July 13 at Blue Ridge Trail Golf Club in Mountain Top.

The annual tournament raises money to support the Penn State Wilkes-Barre Alumni Society's Scholarship Fund, the Student Mentor Program, Academic Excellence Awards and other initiatives which help the students of Penn State Wilkes-Barre.

In addition, this year's golf tournament proceeds will also benefit the construction of the new Struthers Family Career Services Center.

Last year's tournament hosted more than 100 golfers and the tees and greens were sponsored by various community businesses and friends of the campus, raising more than \$5,000 for student programs at the campus.

This year's winning flight in the "Captain and Crew" style

tournament will receive Penn State Wilkes-Barre "Masters" navy blazers complete with 24k gold-plated Penn State buttons.

Golfers also have a chance to win several hole-in-one prizes while on the course, including the grand prize of a car donated by Ken Pollock Chevrolet.

Other contests during the day include closest to the pin, longest drive for men and women, and double your money by "holding the green."

Various other prizes, including gift certificates donated by local businesses will be raffled.

The day's festivities get underway at 11:30 a.m. with registration and lunch and the tournament begins at 1 p.m. with a "shotgun start."

An awards banquet will begin at 6:30 p.m. where tournament and prize winners will be announced.

For more information, contact Karen Brace-Hodley in the Penn State Wilkes-Barre Development Office at 675-9228 or kbl14@psu.edu.

Alumni and friends look over Lake-Lehman band trophies and plaques won during the tenure of former band director John Miliauskas from 1957-1989. Trophies were raffled off to benefit future Miliauskas Scholarship recipients.

bles that chanced off dozens of band trophies and musical recordings from Miliauskas' career.

Officials said the money raised will benefit band students through scholarships and supplementing the program.

Yurko Carmer said it was important to her to organize a band-specific reunion because her friends during high school were different ages but had music in common.

"Whenever I heard about my class reunions, I didn't want to go because I didn't feel close to my class," she said. "I felt more connected to the band, and my friends in band were five years ahead of me and five years behind. We traveled together, practiced almost every day together - that was my family."

Piatt Ide, who played the bells in the award-winning band, spoke to the packed auditorium

during a service for Miliauskas about one of the most memorable experiences she had while a member of the marching band.

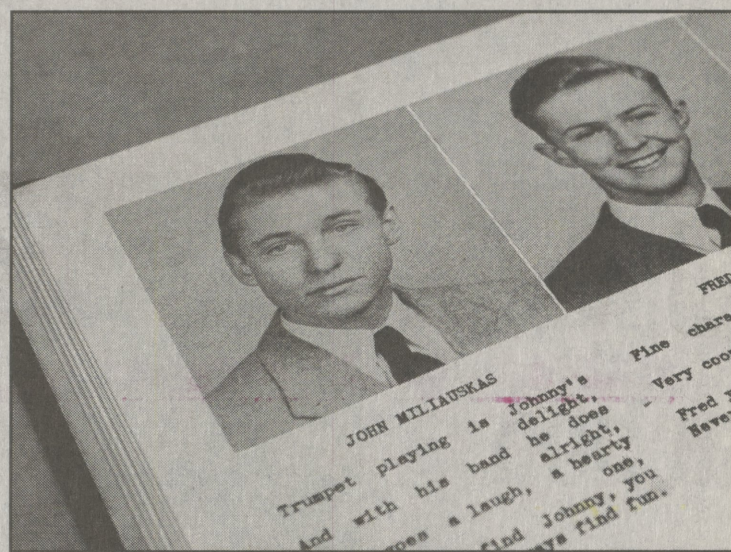

She said the band had been invited to play during the National Cherry Blossom Festival Parade in Washington, D.C. In 1968 - she remembered the date, April 4, because it was shortly after her grandmother passed away.

Piatt Ide said her mother demanded that she and her brothers attend the trip because "there was no way" they wouldn't accompany Miliauskas.

Band members, however, never had the chance to play a single note in the nation's capital as they were told to leave almost immediately upon arrival because of the riots that began not long after Martin Luther King Jr. was assassinated.

"We were going to have our picture taken at the Capitol building, and we saw black smoke and we were told to pack and leave," said Piatt Ide. "Mr. Miliauskas didn't want to leave, but we did anyway."

She said the bus "ran every

red light" as she saw people with machetes and other weapons looting and rioting.

"We didn't get home until 3 a.m., but we did get to go to Grandma Piatt's funeral," she said.

Throughout Miliauskas' career, the Lake-Lehman High School Marching Band attended the National Cherry Blossom Festival Parade two other times, placing in the top five in the national band competition. The band also played during National Football League games, Miss America Pageants and in band competitions up and down the east coast.

Former students reflected on how Miliauskas demanded the same pride and perfection during hometown parades in Jackson, Ross and Lehman townships as he did in national band competitions.

"He always said you need to practice and play with pride and do the best you can," said Greg James of the class of 1976.

Other students poked fun at Miliauskas' tendency towards discipline on and off the field. Several speakers told him and the audience that their military training was nothing compared to being part of the Lake-Lehman High School Band.

"There's the terrifying memory of field practice, when you came running onto the field with your scarlet-red face and the fire in your eyes," said James to Miliauskas as the audience laughed.

But all former musicians who spoke at the event made sure to thank Miliauskas, who still teaches music privately.

"I remember 99 percent of them, and which instrument they played," said Miliauskas.
