Come see for yourself, July 12.

Wilkes-Barre General Hospital's new E.R. is more than twice the size of the previous facility, and offers private treatment rooms and streamlined care. Our new Heart & Vascular Institute provides some of the most advanced heart care in the region. These facilities represent the largest capital investment in Wilkes-Barre's history. But they are just the beginning of Commonwealth Health's long-term commitment to our community. Learn more at [WilkesBarreGeneral.net](http://WilkesBarreGeneral.net).
