New E.R. and Heart & Vascular Institute

Wilkes-Barre General Hospital's new E.R. is more than twice the size of the previous facility, and offers private treatment rooms and streamlined care. Our new Heart & Vascular Institute provides some of the most advanced heart care in the region. These facilities represent the largest capital investment in Wilkes-Barre's history. But they are just the beginning of Commonwealth Health's long-term commitment to our community. Learn more at WilkesBarreGeneral.net.
