

PSU/WB Mountain Lion Club to collect old, smelly sneakers

Shoes will be donated to NIKE Reuse-A-Shoe recycling program.

The Penn State Wilkes-Barre's Mountain Lion Varsity Club will be in the Athletics and Recreation Building Main Gym accepting old smelly sneakers from the local community to donate to NIKE Reuse-A-Shoe recycling program from 9 a.m. to 4 p.m. on Monday, Oct. 8.

Established in the early 1990s, Nike's Reuse-A-Shoe program collects old, worn-out athletic shoes for recycling, transforming them into

Nike Grind, a material used in creating athletic and playground surfaces as well as select Nike products. Once shoes are collected, they are transported to one of the two Nike Grind facilities where they are processed into three types of raw materials: rubber from the outsole, foam from the midsole and fabric from the upper. These materials are ground up and used by select companies in sport and playground surfaces such as tennis and bas-

ketball courts, running tracks, and athletic fields.

New sneakers, from dozens of manufacturers, in all styles and sizes, will also be available for purchase on Oct. 8, as well. This event is open to the community and the sneaker sale will benefit the PSUWB athletic program.

For more information, contact Rachel Rybicki, Marketing Communication Specialist, at 675-9269 or rrybicki@psu.edu.

Alex Leandri, president of the Mountain Lion Varsity Club at Penn State Wilkes-Barre, invites area residents to participate in a sneaker recycling program on Oct. 8 on the Lehman campus.
