

Don't miss the Fall Rollout today

Children of all ages will enjoy the array of equipment and vehicles that will be on display from 1 to 5 p.m. today, Oct. 7 in Dallas. Meanwhile, adult residents will enjoy learning more about their community and the services offered in Dallas Township.

Dallas Township's Fall Roll Out will take place on the municipal grounds at 2919 SR 309 Highway, in Dallas (Just above Thomas' Market).

Participating in the event will be the Dallas Township EMA, Police Department and K-9 Aron and Road Department; Dallas Fire & Ambulance and Kunkle Fire & Ambulance companies; and the Dallas Area Municipal Authority (DAMA). Dallas Township administration and personnel will also participate.

Special additions to today's event will include VIN etchings by the Northeastern Pennsylvania Auto Theft Task Force. VIN etching is a countermeasure to

vehicle theft that involves etching a vehicle's Vehicle Identification Number (VIN) onto its windows to reduce the value of a stolen vehicle to thieves. This service is provided free of charge in an effort to reduce vehicle theft.

The Dallas and Kunkle Fire & Ambulance companies will join forces to conduct a hot dog sale, the proceeds of which will be donated to the Dallas High School Lock-in.

Visitors will meet K-9 Aron, Dallas Township's own canine police officer, and children will enjoy a "smoke house" simulator, face painting, goodies and giveaways.

This first-ever community event is open to Dallas Township residents and their families; and is also open to the general public. There will be limited parking on-site, as well as overflow parking at the Back Mountain Medical Center, 100 Upper Demunds Road.

Bargains galore at library's barn sale

For those who missed the Back Mountain Memorial Library's Annual Auction in July, the annual barn sale was just the ticket. The sale, held Sept. 29 in the antique barn on the library grounds, featured items left over from the auction, including small antiques, furniture items, collectibles and Nearly Olde items. A very special donation of a Thomas Kinkadee nativity set was also available for sale. The full set included a crèche and all figurines, exquisitely painted.

DUMC children support walk

The Dallas United Methodist Church Sunday School children will participate in the "Making Strides Against Breast Cancer of Wyoming Valley Walk" at 8 a.m. on Oct. 20 at Kirby Park.

The children are raising money by selling scarves, hair ribbons, candy and conducting a bake sale. They are also seeking donations and sponsors for their walk. Anyone interested in sponsoring

or donating is asked to contact the church office at 675-0122.

The children will all wear a pink ribbon to represent the person for whom the donation was made.

Driver license centers closed for holiday

The Pennsylvania Department of Transportation announces that all driver license and photo centers will be closed through Monday, Oct. 8 in observance of Columbus Day.

Customers may still obtain a va-

riety of driver and vehicle products and services online at www.dmv.state.pa.us.

Online services are available 24-hours-a-day, seven-days-a-week and include driver's license and photo ID renewals, vehicle registration re-

newals, driver-history services, changes of address, driver license and vehicle registration restoration letters, ability to pay driver license restoration fee or vehicle financial responsibility restoration fee and exam scheduling.

Valentine's supports pantry

During the month of August, Elva Valentine conducted a fundraiser for the Back Mountain Food Pantry as part of the 30-year celebration of Valentine's Jewelry at the same location on Route 309, Dallas.

Each month, for the entire year, Valentine has provided raffle prizes from her inventory to raise money for various charities that are community based and near and dear to her heart.

"My goal is to support the people who support us," said Valentine. She also credits Mari King from Misericordia University for her help in selling raffle tickets.

Elva Valentine, left, presented a check for \$1,100 to Rev. Roger Griffith, president of the Board of Directors of the Back Mountain Food Pantry. This donation will help the food pantry provide an estimated 200 Thanksgiving baskets to needy families in the Dallas and Lake-Lehman School Districts.
