'Cheer for a Cause' honors coach

Two Lake-Lehman students began the Cheer for a Cure in 2007 when one of the Junior Knights coaches was diagnosed with breast cancer.

With the help of cheerleaders and area businesses all over the Wyoming Valley and beyond, the girls raised over \$8,000 for the Susan G. Komen Foundation. Altogether in the past five years, the event has raised over \$36,000 for different charities. The Cheer for a Cause (as it has been renamed to better suit the mission) is a cheerleading competition held for cheerleaders all over Wyoming Valley and beyond.

Each team brings donations for the charities chosen by the senior girls who sponsor the event. In addition, there are basket raffles, t-shirts, food and other items for sale. All proceeds are donated to the charities the girls have chosen.

This year the event is slated for 9 a.m. on Saturday, Oct. 27 at Lake-Lehman High School.

Proceeds from the Sixth Annual Cheer for a Cause will be split between Candy's Place and Children's Cardiomyopathy Foundation (CCF).

Candy's Place is a resource center for Cancer Patients. CCF is a non-profit organization that focuses on research for pediatric
