

DELTA KAPPA GAMMA MEETS

Beta Sigma chapter of The Delta Kappa Gamma Society International recently held a meeting at the Grotto Pizza restaurant at Harveys Lake. On President Jane Maneval's agenda were election of officers for the 2012-2014 biennium and presentation of two Grants-in-Aid to Wilkes University junior education majors. The officers elected were President Carol Williams, 1st V.P. Lee Sikora, 2nd V.P. Helene Dainowski, Recording Secretary Betsy Balonis and Corresponding Secretary Maryann Blessner. Helene Dainowski, Education Chair, presented checks to Amanda Coombs and Abigail Kaster. The grants will be used to help finance their senior year. Delta Kappa Gamma Society International is a professional honorary society of women educators who promote professional and personal growth of its members and excellence in education. From left, are Kathy Coombs, Amanda Coombs, Helene Dainowski, Abigail Kaster and Mrs. Tracy Kaster.

DISABILITY SPEAKER VISITS DALLAS ROTARY CLUB

Mark E. Smith, one of the most recognized disability speakers in the world, was the guest speaker at a recent meeting of the Rotary Club of Dallas. Mark was born with severe cerebral palsy and doctors had little hope for him to lead a normal or long life. He serves as Pride Mobility's Consumer Research Manager, is an icon within the wheelchair industry, author of three books and countless articles and columns, founding editor of WheelchairJunkie.com, a college lecturer and a light-after inspirational speaker. His most important role is being the father of his 15-year-old daughter. From left, are Dallas Rotary Club president Ken Chapple, president-elect Todd Buckley and Smith.

Curbside pickup ends

The last scheduled pick up for the Dallas Borough curbside yard waste collection and recycling program will be during the week of Oct. 22.

The 2012 Dallas Borough Fall Leaf Collection Program will begin Monday, Nov. 5.

Collection will continue throughout the entire month of November or until the first significant snow event of the winter season. Residents are asked to comply with the following leaf collection guidelines:

Leaves only (no grass clippings or other yard waste) should be raked to the curbside for vacuum collection. The vacuum equipment will not function properly if residents commingle yard waste with the leaves.

Residents are asked to rake all leaves to the curbside in long thin rows approximately three feet wide. Placing the leaves curbside in this manner will facilitate collection. Do not place any items on the roadway or within gutters. This will create a hazard for drivers and potentially block storm drains.

For more information, 675-1389 or 674-5362.

Second row, Debra Secor, Kingston; John Harrington, Wyoming; Eric Cheatley, Plymouth.

Cub Scout Pack 155 plans third annual Chili Cook-Off for Nov. 3

Cub Scout Pack 155, of Trucksville, will hold its third annual Chili Cook-Off from 4 to 6 p.m. on Saturday, Nov. 3 in the William and Melba Dickson Educational facility (adjacent to the Trucksville United Methodist Church), 40 Knob Hill Road, Trucksville.

The Chili Cook-Off is a long-anticipated fundraising event for Cub Scout Pack 155.

Scout leaders, parents and close friends of the pack will fire up their crock-pots to offer up their own, unique recipes. Some are spicy while other have a flavorful sweetness about them. Beverages will be available to refresh taste buds.

For \$5, each guest will receive a 4oz. cup to taste test as many chilies as they wish. Tickets are available at the

door or from a local Scout. After tasting as many as they want, participants will vote on their favorite.

There will be first, second and third-place trophies awarded to the top three recipes.

Last year there were 22 chili recipes entered with names ranging from Spicin' Bison, Three Bean Atomic Fireball Chili and Old Fashion Chili.

Your Fridge Doesn't Have to Be This Old to Win with UGI

Judy Szychowski's Frigidaire refrigerator started running the same year the United States entered World War II.

The 1942 Frigidaire icebox came to Szychowski when she purchased a house three years ago and discovered a time-capsule style 1940's kitchen in the basement.

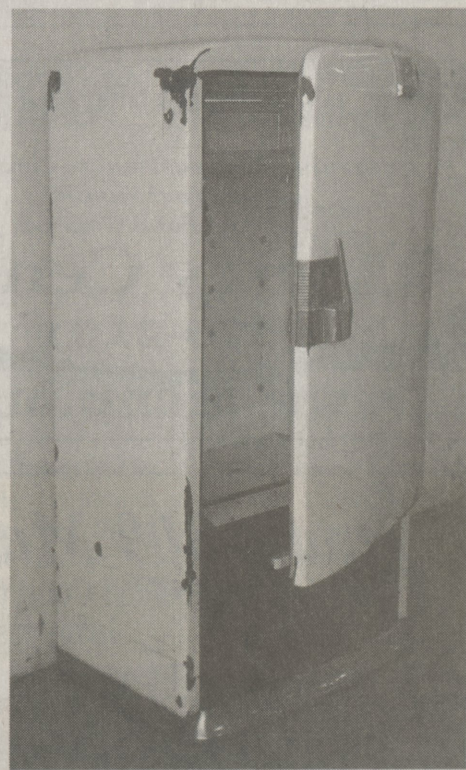

"It was like going back in time to the set of Leave it to Beaver," said Szychowski. "It was complete with a six burner stove, all-metal kitchen set, and an old Frigidaire that still worked."

On Oct. 2, she was declared the winner of a contest sponsored by UGI and Sears to find the oldest refrigerator in the utility's territory.

Despite the end of the contest, anyone can save money by having an energy guzzling relic in their garage or basement picked up for recycling. Owners of older refrigerators can save up to \$150 a year in energy costs and make some extra cash with a \$35 incentive for choosing to recycle.

Participation is as simple as calling UGI at 1-877-270-3521 or by visiting www.theenergyguyatugi.com/recycle to schedule a time for a free home pick-up.

In addition to the guaranteed \$35 incentive that every customer receives for participating in the program,

Szychowski also won a \$250 Sears gift card for being the owner of the utility company's oldest refrigerator.

"Everyone is a winner with this program when they recycle an older, inefficient refrigerator or freezer. It pays off for them through the \$35 incentive, and lower household energy use," said Brian Fitzpatrick, UGI's Manager of Energy Efficiency Programs.
