

Isabelle Peterkin and Carlene and Makenzie Musselman race around the Dallas Elementary School gym to raise money for extra school projects.

# Reason to Run

The Second Annual Race for Education was held Oct. 26 at the Dallas elementary school. The day-long dance party was hosted by DJ Gene. Each grade visited the gym one at a time for one hour to show school spirit and have fun. The event raises funds for the school and helps buy supplies and fund field trips.

Students at Dallas Elementary School race around the gym to the tunes of a disc jockey as part of a Race for Education that helps raise money for school projects not covered by the school's annual budget.
