How did our recent Mammo-thon make a difference in our community?  
More than 700 women scheduled the mammograms they needed.

In a big show of support for women in the fight against breast cancer, volunteers from all Commonwealth Health hospitals recently took part in a Mammo-thon. They made calls to thousands of women throughout Northeastern Pennsylvania about the importance of early detection. Because of their efforts, more than 700 women scheduled needed mammograms. If you're 40 or older and haven't had your annual mammogram, pick up the phone today.

To schedule your mammogram, call 1-800-838-WELL (9355).

The Affiliate Hospitals of Commonwealth Health: Berwick Hospital Center • First Hospital • Mid-Valley Hospital • Moses Taylor Hospital • Regional Hospital of Scranton • Special Care Hospital • Tyler Memorial Hospital • Wilkes-Barre General Hospital

A physician order is required for a screening mammogram, and you must provide your physician's name when you make an appointment. All mammogram reports will be sent to the ordering physician; follow-up is the patient's responsibility.
