## JANIE KISHBAUGH DISPLAYS PAINTINGS AT LIBRARY

The November Art Wall Display at the Back Mountain Memorial Library will feature water color paintings by Janie Kishbaugh, of Shavertown. Janie has always enjoyed painting and began studying art while in college but credits her lessons with area artist Sue Hand for enhancing her technique and artistic skill. She describes her artwork as a way to express her "passion" for all types of animals, farms and old buildings and these subjects are the focus of many of her paintings. However, her newest and special niche is her collection of celestial scene paintings. In these unique pieces, Janie has fashioned names of people with glow-in-the-dark stars and states that these paintings are popular at craft fairs and festivals where she sells her work.

## Tux, hockey players will visit BMT library

Celebrate the holidays with Mike O'Brien, Tux and star players from the Wilkes-Barre/Scranton Penguins in a lively family reading program at the Back Mountain Memorial Library.

All ages are welcome to attend at 5 p.m. on Tuesday, Dec. 18 in the Children's Room.

Space is limited so families are asked to call the library at 675-1182 to reserve seats.

The players will talk to the families about the importance of reading, about being a team player and about their careers as pro-

fessional hockey players.

Tux will then entertain the children with his antics as the players read holiday books to the children.

Bring your questions along with your memorabilia to be signed and get ready to have some fun with the Penguins!

### Holiday hours

The library will be closed on Thursday, Nov. 22 for Thanksgiving. It will re-open at 9:30 a.m. with normal hours on Friday, Nov. 23.
