GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

MEET ANNA

Anna is a 4-month-old female Asian Shepherd who is doing well in her foster home but still needs a forever home. She is great with other dogs, cats and children.

The Central Asian Shepherd Dog is a protective dog who bonds first to its human caretaker and next with its perceived possessions. Bred to solve problems, it is independent minded, strong, brave and responsible. It is a large but agile dog, sometimes

described as a cat in dog's clothing.

With its strong guarding and territorial instincts, it is not a breed for the novice owner. Sensitive and smart, the Central Asian Shepherd responds best to someone who can inspire loyalty while also providing strong leadership. Heavy-handed training will backfire with this breed but respectful, thoughtful training will yield an undyingly devoted companion.

You can visit Anna and her friends at **BLUE CHIP FARMS ANIMAL REFUGE**
