

Mr. and Mrs. Joseph Pagoda

Pagodas note 40th anniversary

Joseph and Theresa Pagoda, of Lehman Twp., are celebrating their 40th wedding anniversary today, June 16. They were married on June 16, 1973 by the Rev. Joseph Kalinowski at St. Vincent's Church, Plymouth.

Attendants were Mary Mooney Loughlin, Rose Marie Pil Smith and Christine Pagoda. Ushers were the late Walter Pagoda II, Michael Hudzik and William Loughlin.

Mrs. Pagoda is the former Theresa Pil, daughter of the late John and Margaret Pil. She was an Optometric technician with NEI for Dr. Curtis Goodwin, Dallas, and is now retired.

Mr. Pagoda is the son of the late Walter J. and Nellie Pagoda. He was a project management consultant before he retired after working over 38 years for MetLife in Clarks Summit.

The couple has been blessed with three children, Christopher, of Conshohocken; Nicole Wetzel and her husband, Jason, of Brownville, N.Y.; and Aaron, of Philadelphia.

They also have two grandchildren, Isabelle and Jake Wetzel.

The couple will celebrate with a family dinner and a trip to Boston, MA.

GFWC Harveys Lake elects officers

The General Federation of Women's Clubs (GFWC) Harveys Lake recently elected officers for the 2013-2014 year. From left, are Tina Urban, secretary; Kelley Moran, president; and Lex Bubb, vice president. Absent at the time of the photo was Allyson Swartz, treasurer.

'Kingdom Rock' comes to LIUM Church

A summer children's event called "Kingdom Rock" will be hosted at Lehman-Idetown United Methodist Church from June 24 to 28.

At Kingdom Rock, children participate in memorable Bible-learning activities, sing catchy songs, play teamwork-building games, dig into yummy treats, experience epic Bible adventures and test out Sciency-Fun Gizmos they'll take home and play with all summer long.

Plus, they will learn to look for evidence of God all around them through something called God Sightings. Each day concludes with Fanfare Finale- a celebration that gets everyone involved in living what they've learned. Family members and friends are encouraged to join in daily for this special time at 11:35 a.m.

Kids at Kingdom Rock will join two international mission efforts to share God's love with children in India and around the world.

Kingdom Rock is for children from 3 years old to those who have just finished sixth grade. The program will run from 9 a.m. to noon each day.

For more information or to register, call 262-0382.

KINGSTON TOWNSHIP

Roads are topic of discussion

By SUSAN DENNEY
Dallas Post Correspondent

A public hearing on changing two Kingston Township streets to one-way lasted only a minute or so. The supervisors looked out over an empty room as they opened the hearing. The topic elicited no comments from the handful of residents in attendance.

During their regular session, supervisors then passed two ordinances which will change traffic patterns on Main Street.

In the future, traffic coming from SR 309 will be one way onto South Main Street to the intersection of Division Street and South Main Street.

The traffic pattern on North Main Street will also change. The supervisors passed a resolution establishing a "No Left Turn" onto SR 309 from North Main Street.

Supervisor James Reino said, "I feel it's very important to establish these one-way streets," citing the history of accidents at these intersections.

The supervisors tabled a resolution to create a 4-way stop at North Main Street and East Center Street.

A resident spoke to the supervisors, saying that the 4-way stop at that intersection would create "a great inconvenience to us." She said that the intersection would create traffic backups comparable to those which occurred on Franklin Street and Main Street during the Center Street Bridge construction.

Chairman Jeffrey Box said, "We've commissioned a traffic study of the intersection." He explained that if the intersection meets certain criteria, the township would have no choice but to put in the 4-way stop.

A motion to get an alternate engineer to inspect the East Center Street Bridge failed at the meeting. After the meeting, Box said he voted no because "the township engineer is perfectly capable." Supervisor James Reino agreed.

Supervisors and residents discussed the timing of the stoplight at the intersection of Center Street and SR 309 as many feel the timing is not working properly.

Township Manager Kathleen Sebastian said she would contact PennDOT about the intersection.

Bids were opened at the meeting for line painting on township roads. The township awarded the bid to Interstate Road Management with a low bid of \$7,189.

In the future, traffic coming from SR 309 will be one way onto South Main Street to the intersection of Division Street and South Main Street.

Supervisors also approved \$5,000 of repairs to the administration building's HVAC system. They also approved the Adam's Major Subdivision based on the planning committee's recommendation.

Supervisors authorized Barton Lawson, the township's engineering firm, to inspect bridges on East Franklin Street and Old Carverton Road at a cost of no more than \$3,000.

The next meeting of the supervisors will be a public work session at 7 p.m. on Monday, July 8.

Several members of the Dallas Rotary Club gathered recently to place the Wine and Dine Festival sign at the triangle at Routes 309 and 415 in Dallas. From left, kneeling, are Todd Buckley, Jason Jolley, Paul Saxon and Ben Chappel. Standing, Melissa Saxon, Art Peoples, Kerry Freeman, Grace Reishus, Jon Pomrinke and Randy Loyd.

Rotary Club of Dallas plans Wine and Dine Festival

The Dallas Rotary Club, in association with the Dallas Area Fall Fair Inc., will sponsor a special event for charity from 11 a.m. to 6 p.m. on June 29 at the Luzerne County Fairgrounds, Route 118, Dallas.

The Wine & Dine Festival will feature tastings of the finest wines and specialty foods from the Back Mountain and Endless Mountains areas. A variety of goods will also be on sale by area crafters and there will be live musical entertainment all day.

The Dallas Rotary Club is an all-volunteer, public service organization and is holding this event to support its various charities, many of which are for children and the elderly.

Tickets will be \$15 in advance and \$25 at the door. Designated drivers will be admitted for a reduced fee of \$5 and will be given special identification.

Anyone interested in participating as a crafter or vendor is asked to call Melissa at 852-9591 or contact her at saxonm5@hotmail.com.

Tickets are also available for purchase at J&J Deli, Dallas; Maiolatesi Wine Cellars, Scott Twp.; Nimble Hill Vineyard and Winery, Tunkhannock; Pierce Drugs, Kingston; The Gluten Free Basket, Dallas; Valentine's Fine Jewelry, Dallas; and O'Live, Sweet Valley.

HARVEYS LAKE BOROUGH

Current Grotto Bridge will be replaced

By SUSAN BETTINGER
Dallas Post Correspondent

The bridge construction project, SR 415 Plan, was discussed on June 12 at the Harveys Lake Municipal Building.

The project will replace the current Grotto Bridge, which is in a deteriorating state with concrete falling off in some spots.

Greg Orris represented Dewberry Engineering, the company that will construct the new bridge. Orris presented plans and answered questions from residents in attendance.

He stated that construction is scheduled to begin in September 2015 and conclude in the spring of 2016. Orris added that this time frame was chosen in "order to avoid interference with the boaters." The work should be completed before summer of 2016, the lake's busy season. Boating traffic will need to be shut down for about a month, while demolition of the old bridgetakes place.

The new bridge will see a change in height of 15 to 16 inches in additional clearance for boating traffic with the existing pier being removed. The width of the new pier will be 6 or 7 feet in horizontal clearance. Two spans will be replaced by a single span.

The proposed length of the new bridge is 68 feet; the current length is 45 feet. The sidewalks will be replaced by shoulders, measuring 5 feet on each side. There will be a smooth slope down at the edges.

The new construction will improve safety conditions with adjustments being made to the marina and Grotto Pizza properties as the vehicles will be able to see the ongoing traffic more clearly.

While construction is taking place, the detour route will span approximately 2 miles, with Old Lake Road picking up more traffic. According to borough secretary, Susan Sutton, the detour should not be much of an inconvenience for residents.

DALLAS

become the teachers of record for the cyber school classes. At present, classes are supervised by out-of-district teachers; however, both Bradshaw and Lamoreaux have administrative rights over the cyber program and carefully monitored the program during its first year.

Winter coaching positions and stipends were approved. Superintendent Frank Galicki

stated all coaches had agreed to the new board policy about social networking.

The board declined to vote on proposed stipends for Dr. Tom Duffy, middle school principal, and Brian Bradshaw, assistant high school principal. The proposed stipend for Duffy was \$6,000. Bradshaw's proposed stipend of \$5,000 was proposed to cover his additional duties with the cyber school.

The board's next meeting will take place on July 8.
