Oticon | Alta

Hear more. Anywhere. Anytime.

Experience the all new Alta.

The hearing device customized exclusively for you. Your life. Your world.

Your day takes you from one difficult hearing situation to another. Alta is customized to give you optimal performance. It's sound-processing architecture is our most advanced ever. Think of it as a micro-brain that works in harmony with your brain. Your personal hearing preferences are used by the Alta chip so you can differentiate sounds and hear with more clarity. Yet for all its sophistication, each Alta hearing solution begins with talking, and listening. Consult with us today, and hear the difference a truly personalized hearing solution can make for you.
