

# Pauly Friedman Walk benefits Family Service Association

Pauly Friedman was very dedicated to Family Service Association over many, many years and a true champion to a long list of various local community causes, especially those aimed at assisting women and children.

She was a past president and life member of the FSA Board of Directors and founder of its Friends Committee.

In her memory, the Fifth Annual Pauly Friedman 5K Run/Walk was held on Aug. 11 at Misericordia University.

All monies raised through the event will benefit FSA's Help Line, a 24/7 information, referral, and after hours crisis service that serves Luzerne, Wyoming, Sullivan, Bradford and Tioga Counties.

Each person participating in the event raised a minimum of \$25 in donations to receive awards. Teams consisted of both walkers and runners.

## 'Hometown Hero' project donates to Cleary Foundation

The Dallas Lions Club concluded its "Hometown Hero" project with the placing of approximately 100 banners of service men and women who served or are presently serving in the Armed Forces. Placement of the banners on poles throughout the borough was accomplished by the staff of Frontier Communications. This was the third and final year of the project. As was done in previous years, excess funds collected for the project were presented to the Michael Cleary Foundation which provides financial help to members of the Armed Forces and their family members. Shown above presenting the club's check is project chairman Don Berlew, left, and Jack Cleary, president of the foundation. The check was presented to Cleary at the club's annual "pizza meeting" at the Grotto at Harvey's Lake.
