Money To Lend

"We can erase your bad credit - 100% GUARANTEED." Attorneys for the Federal Trade Commission say they've never seen a legitimate credit repair operation. No one can legally remove accurate and timely information from your credit report. It's a process that starts with you and involves time and a conscientious effort to pay your debts. Learn about managing credit and debt at ftc.gov/credit. A message from The Times Leader and the FTC.
