Meet Brody

If you think the story about the puppies in a garbage bag was horrific, you are going to think Brody's story is, too.

Brody was left alone in an abandoned house in the Poconos with the thermostat set to 95 degrees. She was still lactating and the vet estimates her puppies were only two weeks old. What happened to the puppies we may never know but at least we were able to resuce Brody.

Despite the way human beings have treated her, Brody is very loving and sweet. She was also very good at the vet's office towards cats. Contact us if you are interested in giving this girl a second chance. The vet estimates her age as between 1 1/2 to 2 years old and she is possibly a black and tan Rottweiler mix.

You can visit Brody and her friends at **BLUE CHIP FARMS** ANIMAL REFUGE 974 Lockville Road
