

# Christmas in Trucksville

Thank You for your cards, prayers and well wishes throughout my continuing recovery from surgery and subsequent illness.

When your pipes have all burst and your basement is swimming...  
When your air conditioner is slowly dimming...  
When your sewer is blocked solid on a cold winter's night...  
When your furnace has broken and refuses to light...

You find most of the big home repair centers are closed!  
But your local plumbing, heating and cooling contractors – YOUR neighbors from YOUR community – are there for YOU when YOU need them.

This holiday season, we salute those contractors who make life more comfortable for all of us.
