MT. JOY HIGH EASILY DEFEATS MANHEIM HIGH

Mt. Joy High found the Manheim High School an easy proposition in their game at the former place and Mt. Joy tossers had little trouble romping home with the long end of a 45 to 12 score. As the score indicates, the winners completely outclassed and outplayed their county rivals, and from the very start of the contest until the final whistle, the outcome was never in doubt. Manheim caged but one field goal during the entire forty minutes of play and that came with but two minutes left of the final period.
The all-around floor work and close guarding of the Mount Joy tossers featured the game, while Myers and DeLong vied for high scoring honors on the winning quintet. Hostetter was the only losing player to cage a field goal, although Hunter's work from the free line is worthy of mention. The score:
Mt. Joy High 45
Manheim High 12
DeLong forward Hunter
Myers forward Shiffer
Bennett centre Shiffer
Garber guard Hummer
Dearbeck guard Hostetter
Field goals: DeLong 9, Myers 10, Garber 2, Hostetter. Foul goals: DeLong 3 out of 6; Hunter 10 out of 12. Referee, O'Neill. Time of periods, 20 minutes.

Mount Joy Girls Win
In a game preliminary to the Mt. Joy-Manheim game, the girls of the Mount Joy High School defeated the Alumnae in a good game by a score of 14 to 3. The winners played a good guarding game, allowing the Alumnae but one field goal. The score:
Mt. Joy Girls 14
Alumnae 3
Schatz forward Wiley
Nissly forward Brubaker
Habecker centre Mumma
Chandler guard Shelly
Mummert guard Breneman
Field goals: Schatz 3, Nissly 4, Brubaker. Foul goals: Brubaker 1 out of 4; Schatz 0 out of 5. Referee, O'Neill. Time of periods, 15 minutes.

Annullville High easily defeated Elizabethtown High 45 to 24. Rothsville certainly put it all over Marietta High by score of 55 to 21. Elizabethtown defeated Ben Hur of Steelton, on Saturday evening 42 to 17.

RHEEMS

The heatless day was again observed last Monday as well as the fifty-fifty four order.
J. K. Bard, a State College student spent a week with his parents suffering with a heaving in the head.

D. G. Brinser received a carload of coal last week which they distributed to their customers in 500 pound lots. The present pleasant weather will save coal and allow the wood choppers to get in a supply.
The past week furnished a number of beautiful sunshine days, if it shall continue so that mother earth may be seen we may look for the robin and the York County bull-frog and forget the Ground Hog.
Mr. Harry Emmeheiser received a carload manure during the snow storm, compelling him to open the highway in order to reach his first field. The car was released without any demurrage and showed that where there is a will there is always a way.
The Amos Garber families took advantage of the sleighing by hustling household goods from the farm to their double house in this place, returning with some of Jacob Garber's furniture, who contemplates being successor to his father on the farm about April 1.
Messrs. Isaac R. Herr and Andrew Baker disposed of the household goods and real estate of Samuel Baker, deceased at Pleasant Hill last Thursday. A good attendance and good prices were realized. John Foreman purchased the real estate consisting of a half acre of ground, a two-story house and other buildings for fourteen hundred and ten dollars.

FLOUR OVER 50 POUNDS MUST GO BACK TO STORE

The State Food Administrator has issued orders that any persons having more than fifty pounds of flour on hand must return the excess to the store. This must be done by next Saturday, according to an announcement made by Jay Cooke, representing State Administrator.
A summary of the 50-pounds flour edict, along with some facts on what they do with firms, which do not live up to the rules as laid down by the Food Administration is as follows:
All persons having more than fifty pounds of flour in their possession for private use in their homes will have to return any surplus to the dealer from whom the purchase was made by next Saturday, according to an announcement made yesterday by Jay Cooke, local food administrator.
The same ruling was issued in regard to all those who have purchased wheat flour without having purchased an equal amount of substitute flour at the same time. By Saturday such persons must either return the flour to the seller or buy the necessary quantity of flour substitutes.
An epidemic of scarlet fever has closed the schools at Mt. Nebo.

Mrs. Claude H. Grosh and Mrs. Simon L. Gingrich, of Milton Grove, were the guests of A. K. Young and family.
Wood saws and saw bucks that had become almost extinct, have again come into service, and can be seen in almost every home.
Wood is becoming almost as scarce an article as coal in the borough at present on account of the deep snow, making it almost impossible to get to the woodland.
Building more houses in the borough would be a paying proposition as some of our landlords report as high as five applicants for a single house and they are willing to pay city price rents. The business outlook of the borough at present is very good, there being very few idle persons in the borough at present and they could very easily procure work.
