Mrs. Pearl Stauffer of Woodbine Heights held a dime social on Washington's Birthday and it was well attended.

WILL YOU HELP OUR DESERVING BOY SCOUTS?

The Boy Scouts of America are making a great effort to raise \$600,000 within the next three years, said money to be used for instituting new troops and getting new boys into the folds of the Boy Scouts of America on account of the extensive war work now being carried on by these young men.

Troop No. 2 of the Mount Joy B. S. A., has pledged \$45.00 to this cause and the young men are now active in their effort to raise that amount for this worthy cause.

At no time in all the world's history have boys—just boys—had such an opportunity as they now have for helping their country. Never before were boys asked by their Government to do such big things for it as have the Boy Scouts of America.

Never before have men—real men who want to be at the front, but can't—had the chance for service that is now presented to meet their duty as leaders to this tremendous army of boys ready to play the part that Uncle Sam has put upon them.

In a recent letter President Wilson said: "Anything that is done or given to increase the war efficiency of the Boy Scouts of America will be a real contribution to the nation and will help win the war."

Persons desirous of contributing can do so by seeing Scout Master P. Franck Schock or Assistant Scout Master Howard Arntz.

A Special Meeting

There was a special meeting of Mount Joy Boro Council on Monday evening for the purpose of placing \$1,000 to the sinking fund account and also paying the interest on the bonds which come due Mar. 1st.

SEWELERS & OPTICIANS

Telling Time

The ancients told time by means of the Sun Dial. We often wonder how many appointments were kept on time in Athens during the rainy season.

As far as accuracy goes, to-day there are a-half dozen famous manufacturers in this country whose time-pieces are high perfect.

We sell the very newest models of Elgin, Waltham, Hamilton, Howard, Illinois-Springfield, and the Apple & Son Special.

Particularly smart just now are the beautiful thin models, which combine an extraordinary delicacy of appearance with absolute reliability.

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

GENUINE CASTORIA ALWAYS
Bears the Signature of

FARMERS--Will You HELP?

During the first week in March the implement dealers generally and the undersigned specially, will endeavor to find out from farmers what repair parts will be needed to make every farm implement sufficient.

Our Country Calls

The need of the World is for the largest crop in our history. We want no delay to ensue when implements are needed, and so our efforts will be to help the farmer to be in shape for work when the weather conditions are right.

What You Can Do

Get out all your implements, place them where inspection is easy. Parts that must be replaced note down and send us your repair parts demand. We will then mass the orders, saving express and shipping, and your implement will be ready. Week, March 4-9.

Will You Help? Thank You

H. S. Newcomer
Mount Joy, Pa.
