

# A Wonderful Demonstration at Garber's Drug Store Pertaining to TONALL

THE UNIVERSAL TONIC AND SYSTEM BUILDER

The number of sample bottles, a week's treatment given away free last Saturday at E. W. Garber's Drug Store, Mount Joy, Pa., was beyond all expectations. It demonstrated one very important fact; that it pays to be honest with the public. The fact that the names of the Roots, Herbs and Barks in the formula of Tonall were published in the daily papers, and found printed on each label, and the ingredients in the raw state displayed in the show windows, impressed the people above everything else that here was "Nature's remedy," compounded and blended into a medicine. No acids, no minerals, drugs. The majority who called for a sample bottle, were the sorely afflicted and the week's treatment will convince them, as it has convinced thousands of others, that here is the medicine for building up their run-down systems.

It is wonderful, indeed, how many people are afflicted with diseases arising from a disordered stomach. Seventy per cent. of the population over thirty years of age are afflicted with some one or other of the diseases caused by disordered stomach, such as Indigestion, Heartburn, Headache, Shortness of Breath, Vertigo, Constipation, General run-down System, Nervousness and loss of sleep, etc. No remedy will cure all the ailments with which mankind suffer. However, there is a remedy for every disease, but how many are cured is hard to tell, but this a fact, a well known fact, that more stomach troubles are caused by taking into the system, drugs containing acids and minerals to allay diseases which cause untold suffering to those already afflicted. Tonall contains no acids and no minerals, but on the other hand more roots, herbs and barks each a tonic within itself, than can be found in any other proprietary medicine on the market to-day.

"Tonall Health Topics," a circular giving full information will be found instructive, interesting and helpful reading. It is free for the asking. It tells all about the different roots, herbs and barks used in Tonall together with their distinctive curative powers. Tonall is sold at
