

# To The American People

There is no foundation for the alleged violations of law attributed to our Company by agents of the Federal Trade Commission and I want to say emphatically that Swift & Company is not a party to any conspiracy to defraud the Government. Nor has Swift & Company been guilty of improperly storing foods or of making false entries or reports.

Conferences of packers, where prices have been discussed, have been held at the urgent request and in the presence of representatives of either the Food Administration or the Council of National Defense. And yet the packers have been accused of committing a felony by acting in collusion on Government bids!

We have done our best, with other packers, large and small, to comply with the directions of the United States Food Administration in all particulars, including the furnishing of food supplies for the U. S. Army and Navy and the Allies, now being handled through the Food Administration.

We will continue to do our utmost, under Government direction, to increase our production and assist the Food Administration. We consider that the opportunity to co-operate whole-heartedly and to our fullest powers with this branch of the Government is our plain and most pressing duty.

The Trade Commission Attorney has, by false inference and misplaced emphasis, given to disconnected portions of the correspondence taken from our private files and read into the Record, a false and sinister meaning with the plain purpose of creating antagonistic public opinion.

The services of the packers of the United States are most urgently needed, and I regret exceedingly that we should at this time have to spend our efforts in defending ourselves against unfounded, unproved, and unfair assertions such as are being daily made public.

L. J. Swift, President

Swift & Company, U.S.A.

## BIG SALE OF STOCKS AND BONDS ON SATURDAY

On Saturday evening Auctioneer Chas. S. Frank sold a large lot of stocks and bonds at public sale at the office of Henry G. Carpenter on East Main street. The sale was well attended and the following were sold:

Two \$250 New Standard Hardware Works 6 per cent. bonds to the New Standard Hardware Works at \$148 each.

5 shares of Elizabethtown Exchange bank stock to B. H. Greider at \$113.00 per share.

5 shares of same to B. H. Greider at \$108.10 per share.

For Other Accounts:  
4 shares of Mount Joy First National bank stock to Levi Newcomer at \$185.00 per share.

One share of same to Amos F. Eby at \$138.15.

2 shares of Elizabethtown National bank stock to A. H. Martin at \$156.25 per share.

THIS SURELY IS QUITE A WONDERFUL RECORD

Even if feed is high, we doubt whether there is a more profitable source of revenue on the farm than a good herd of fine cows. Our readers will remember that recently we published an article which stated that John Brubaker received a milk check of \$528 from twenty head of cows, an average of \$26.40 of milk per cow. This was a better record than we ever heard of around here but we can beat that. Mr. John W. Eshleman of near Elizabethtown, has a very good herd of cattle, mostly Holsteins. He has twenty-two head and his milk check last month was \$625.00 or an average of \$28.41 per cow. At that rate Mr. Eshleman's cows would produce over \$7,500 worth of milk in a year. We feel certain this latter record will stand and will be a good mark for our many progressive farmers to aim at.
