Do You Sleep Well?

To be at his best a man must have sound, refreshing sleep. When wakeful and restless at night he is in no condition for work or business during the day. Wakefulness is often caused by indigestion and constipation, and is quickly relieved by Chamberlain's Tablets. Try a dose of these tablets and see how much better you feel with a clear head and good digestion. 4-4t

Brandt & Stehman, who conduct our local flour and feed mill, in this place, recently presented their employees with a very liberal bonus.
