The Literary Society of the Rohrerstown School held a very interesting service last Friday afternoon. The local W. C. T. U. aided the two progressive teachers, Mr. and Mrs. LeFever to prepare the program. Quite a number of the members of the society were present. The program rendered by the scholars was excellent and showed skill and study. The program follows: Opening Song, Reading of Minutes, Election of Officers, Referred Question, Raymond Starr; Essay, Harry Snively; Song by the Girls; Debate, Resolved That Cigarette Smoking is a Greater Evil Than the Use of Liquor, Affirmative, David Lehman and Ruth Good; Negative, Edward Snively and Ruth Rogers. The judges and the house decided in favor of the negative. An address was delivered by Rev. F. W. McQuire, the literary Gazette was read and Misses Merta Warfel and Helen Risser sang a very pleasing duet. The closing song was sung and all present left having enjoyed a pleasant and a profitable hour.

FARMERS LOAN ASSOCIATION

GOVERNMENT MONEY, LOANED AT 5 1/2 PER CENT. ON COMPARATIVELY SMALL SECURITY, GOOD FOR 34 YEARS

It is not yet generally known that there was successfully organized recently in this community a Lancaster County Farm Loan Association, thru membership in which can be obtained the use of United States Government money. The organization was chartered March 23. Cyrus H. Good, of Rapho, is president, and A. H. Young is secretary-treasurer. Ten persons have already joined the organization and indications point to many more doing so in the near future. The headquarters are at 49 North Duke street.

The money is loaned at 5 1/2 per cent. interest to the extent of one-half the value of the land mortgaged as security, and one-fifth the value of the buildings thereon. One may pay back the money at any time after a period of thirty-four years, and cannot be fore-closed save for failure to pay the interest or some similar legal offense.

Probably the greatest advantage of these loans is the fact that they are good for such a long period. The project is made particularly interesting for the individual because each member of the association becomes a stockholder. There is a committee for appraising property and the Federal appraiser goes over this appraisal and verifies it or changes it, as he may see fit.

The requirements are that each member be a real farmer or actual manager of a farm, and that the entire membership of the local association reside in Lancaster county. Ten members are necessary for effecting an organization, and the total loan of the members must exceed \$20,000.

Although money is plentiful at present and it is easy to loan from banks and individuals at reasonable interest, the farmer who uses the government money feels an independence which he would not be beholden to another individual. The farmers thus banded together feel that they are financing their own debts.

The Lancaster County Association gets its money direct from the Federal Land Bank of Baltimore, district bank No. 2 of the Federal Land Bureau, which takes care of Virginia, Maryland and Pennsylvania. This scheme of national government aid for farmers was brought about by an act of Congress in 1915.

Zeager-Achorn
Thursday afternoon Rev. P. George Siegler united in marriage Emerson A. Zeager and Mrs. Anna M. Achorn, both of Lancaster, at the altar of Emmanuel Lutheran Church in the presence of near relatives. After the ceremony a wedding supper was served at the home of the bride's mother, Mrs. Maggie Amwake, followed by a reception, after which the couple motored to Philadelphia and other points on a wedding trip. They will make their future home at their newly furnished country home a short distance south of town which was only recently purchased from Mr. Ezra Wolgemuth. The groom is a native of this place and is a step-son of Mr. Jos. Brandt of the La Pierre House.

Levi Hoffman Weds
Word was received here last week by his parents that Mr. Levi Hoffman, of Howard, Montana, was married in that place March 22 to Miss Christine Bostrack. The groom is a son of Mr. and Mrs. Henry G. Hoffman of this place. The young man went west some years ago and after spending six years in Dakota, returned to this place. Four years ago he left for Montana, took up half a section or 180 acres of a government claim, erected buildings thereon and is progressing very well. His many friends here wish him abundant success and extend congratulations.

Rube Wins Easy
Rube Bennett, the popular local athlete, appeared in the semi-windup at Frankie Erne's bi-monthly show at Lancaster Monday night and easily put the kayo on Gus Belmont of Philadelphia in the first inning. A stiff left on the jaw and Gus counted stars.

Four Furnaces to Merge
The Vesta furnace at Marietta, the Berkshire furnace at Sheridan, the Lebanon furnace at Lebanon and a furnace at Lynchburg, Va., are to be united under the management of a new corporation, the Lavina Furnace Company.

Trimmed the Trees
As was suggested at a recent meeting, Boro Council made the initial step toward improving our park by having all the trees trimmed. Everybody is anxiously awaiting further improvements but they can rest assured they will be made.

11,000 PENNA. MEN LEAVE APRIL 26

QUOTAS WILL PROBABLY BE COMPLETED AND MADE KNOWN EARLY NEXT WEEK—LOCAL MEN MAY HAVE TO GO TO CAMP LEE

Harrisburg, April 6.—Approximately 11,000 more Pennsylvanians registered under the draft act will be sent to Camp Lee, Meade and Shertman, commencing April 26, according to a telegram received at State draft headquarters to-day. These men have been called in addition to the 7,700 men sent to Camp Lee and Meade this week, and Major W. G. Murdock, the officer in charge, has commenced working out the quotas, which will probably be completed late Monday or early Tuesday.

The new call includes both white and colored men, and makes some changes in destinations of men in what has hitherto been Camp Meade territory.

To Camp Meade will be sent from regular Camp Meade territory in addition to the above 1,296 white men and 1,014 colored men, all qualified for General military service. To Camp Lee there are to be sent 8,311 men, including 6,197 men living in Eastern Pennsylvania counties, which have been in Camp Meade territory, and 2,114 men in regular Camp Lee territory. These men are all to be white, and qualified for general military service.

Local committees may compile similar reports of subscriptions turned into local banks, and give out the results. This method of supplying information on the day by day progress of the loan campaign, adopted to-day by the treasury after long discussion, is intended to prevent the publication of inaccurate estimates which might not be borne out by actual subscriptions. Secretary McAdoo requested newspapers and Liberty loan committees to observe the new rule.

TONALL HEALTH TALKS—BILIOUSNESS

MAKES LIFE A BURDEN—TONALL GIVES THE NEEDED RELIEF

Biliousness is caused by the natural sewers of the body getting clogged up and the bile in the stomach, being denied its natural channel, is turned into the blood.

Life is a burden to a bilious person. The sufferer may have an abnormal appetite yet has no desire for action. He is troubled in his sleep, has pains, a bitter taste in the mouth. The tongue is coated and he has dizzy spells. All this may lead to dangerous forms of disease as the body is more susceptible than when the lodgement of disease than when in its normal healthy condition.

Topall is a foe to Biliousness and all kindred ailments. The roots, herbs and barks being nature's aids when taken in Tonall as a medicine, brings the system back to health again.

Tonall is sold by E. W. Garber, druggist, Mount Joy, Pa.

MAY PROHIBIT STREET OILING BY FEDERAL ORDER
It is likely that there will be no oiling of our streets this year, as it develops that most of the oil companies have received orders from the Government that there must be no oiling for dust allaying purposes this year. It is understood that the entire supply will be needed for fuel and lighting purposes.

This fact was brought out Monday when a committee of Reading citizens sought to make a contract for the delivery of oil for the purpose of oiling the streets at Lancaster. The representatives of the different companies told them that they were not permitted to sell the oil for that purpose and that they understood that no oil already contracted for or delivered for that purpose could be so used.

It has been customary in Mount Joy the past few years for Council to oil all our streets and if this federal order is enforced you can rest assured this will be some dusty burg unless the good housewife keeps the sprinkler going.
