TEACHERS HAD BETTER WORK FOR ANOTHER YEAR

Deputy Attorney General William H. Keller has given it as his opinion that "there is no provision of law for the retirement allowance to any school employe who for any reason discontinues school service prior to July 1, 1919."

The question was raised under the 1917 teachers' retirement act by H. H. Baish, secretary of the State retirement fund, who asked concerning teachers who contribute to the retirement fund, but who leave the service before July, 1919, when the act goes into full effect.

Do You Sleep Well?

To be at his best a man must have sound, refreshing sleep. When wakeful and restless at night he is in no condition for work or business during the day. Wakefulness is often caused by indigestion and constipation, and is quickly relieved by Chamberlain's Tablets. Try a dose of these tablets and see how much better you feel with a clear head and good digestion. 4-4t

RAISE 95 TO 100 PER CENT. OF YOUR CHICKS

Others are doing it, so can you, don't let chicks die with white diarrhea, gaps, going light, weak legs, stunted and not developing, give them Brubaker's Old Original Poultry Powder in wheat, bran or drinking water. Feed it sparingly at first, when they are a few days old, then watch them grow. Feed all the dry bran they can eat, all the fresh water they want to drink and a good Chick Food several times a day, then you will raise almost every one you hatched. If you want neat and healthy stock use Brubaker's Old Original Horse and Cattle Powders, do not expect a substitute that is claimed just as good. Guarantee on every pack. Ask your dealer for it. UNITED DOCTORS SPECIALIST
Brings the Knowledge of a Great Medical Organization and Their Experience in the Successful Treatment of THOUSANDS OF CHRONIC DISEASE CASES
OFFER SERVICES FREE OF CHARGE

Licensed by the State of Pennsylvania

The United Doctors is an organization of reputable, licensed, physicians for the treatment of certain diseases.

They are all specialists. The United Doctors treat, without Surgical Operations or hypodermic injections, diseases of the blood, skin, and all internal organs, rheumatism, sciatica, tape-worm, leg ulcers, weak lungs and all long standing, deep seated diseases.

Thirty-five years, experience and the complete records of thousands of cases successfully treated prove that the methods of the United Doctors are right. They were among the first to be called "Bloodless Surgeons."

Each member of the United Doctors staff has at his command the knowledge and resources of the whole organization.

Many people go on suffering from diseases that can be alleviated just because they cannot afford to go to high priced specialists at a distance from home.

No community has a sufficient number of sufferers from the diseases mentioned to support special hospitals for their treatment and cure. The United Doctors have solved the problem. Their highly trained specialists travel from place to place. They diagnose and prescribe a course of treatment for the sufferers in each community and teach them how to take care of themselves at home.

Worn-out and run-down men or women, no matter what your ailment may be, no matter what you have been told, or the experience you have had with other physicians. If your case is incurable they will tell you so. Consult him upon this visit. It costs nothing.

Married ladies must come with their husbands and minors with their parents.

Service Aloft

The man in the fighting top of the battleship represents the mighty armed forces of the Republic.

The man on the telephone pole typifies the great army of industrial workers whose loyal service is preparing the way for Victory.

Every roof and branch of the Bell System is animated by a spirit of keen, unselfish devotion to duty. In the present great emergency the workers here at home are as eager as are the seven thousand Bell men with the colors to meet promptly and effectively every Government requirement and to count nothing as sacrifice when national welfare is in the balance.
