Do You Enjoy Life?
A man in good physical condition
is almost certain to enjoy life, while
the bilious and dyspeptic are despon-
dent, do not enjoy their meals and
feel miserable a good share of the
time. This ill feeling is nearly al-
ways unnecessary. A few doses of
Chamberlain's Tablets to tone up the
stomach, improve the digestion and
regulate the bowels is all that is need-
ed. Try it.

Failed to Register
William Myers, of Cincinnati, O.,
aged twenty-four, failed to register
for selective service last June and
left his home only twice in ten
months, and these occasions were at
night, when he dressed as a woman,
police charged yesterday. Myers was
arrested and is being held for Federal
authorities.

ing fun of the Medical Companies but
he said that when they get to France
and actually see how the Medical
men go ahead and pick up the
wounded and take them to the Field
hospitals or Dressing Stations, they
will have to take their hats off to
them as they have no guns to pro-
tect themselves but only the Red
Cross on their arm and a litter, as
we call it, in other words a stretcher.
This man has also told me about
one of the German trenches that they
were after. It was about 70 or 75
feet deep and very large. It was
a hard matter to get at it, but they
got it O. K. The entrance was V-
shaped and this was a place the Ger-
mans had fixed with concrete sides
and top. There the German soldiers
would go for rest. The manner in
which they got that trench was with
hand grenades and very few guns.
The man who told me this has his
hand shot off and above the wrist on
the forearm you can plainly see
where the saber was plunged through
his arm at several places, as he claims
that he was in a hand to hand fight.
There is one movie that was
showed in Atlanta and if you ever get
a chance to see it why don't fail to
go. The name of the picture is
"The Beast of Berlin."
Well will close for this time.
Yours,
John A. McGinnis.

Lad Is Doing His Bit
Mount Joy can boast of one young
patriot in the person of Frank H.
Rahm, eight-year-old son of Mrs.
Margie Rahm who bought and paid
cash for a Fifty (\$50) Dollar Liberty
Bond out of his savings. Uncle Sam
is looking for these kind of patriots
to help by doing their bit.
