Thirteen Candidates in the Field For Governor—Bryan Wins With Hill and Makes a Speech at Albany—Almost a Fiasco at Utica, Caused by a Failing Platform.

SARATOGA, Aug. 26.—Ex-Senator Thomas C. Platt having positively refused to allow his name to go before the Republican state convention as a candidate for governor, the field is open for the many aspirants for the nomination. There are 13 of these aspirants, the friends of all of whom are in greater or less degree confident of ultimate victory.

The platform was chosen by the General Executive L. Woodford was chosen permanent chairman. The platform adopted declares in favor of the gold standard and the protective tariff and asserts that Democratic administration of national affairs is responsible for the industrial depression and industrial inactivity. Regarding state issues, the platform says:

We commend the wise, dignified and popular administration of Governor Lewis as a model and call attention to the contrast it affords with preceding Democratic administrations in the freedom of every form of public scandal.

With special pride and satisfaction we call attention to the excellent record of the last legislature and to the splendid vindication of its work in respect to the state treasury.

WHITNEY-VANDERBILT NUPTIALS AT THE BREAKERS IN NEWPORT.

Though a Quiet Wedding, the Marriage of Gertrude Vanderbilt and Henry Payne Whitney Was a Brilliant Event—Ceremony Performed by Bishop Potter.

NEWPORT, R. I., Aug. 25.—The marriage of Miss Gertrude Vanderbilt and Mr. Henry Payne Whitney occurred today at The Breakers, the summer home of Mr. and Mrs. Cornelius Vanderbilt, the bride's parents. The officiating clergyman was Dean Magill of Trinity church, Newport, and the Right Rev. Henry C. Potter, bishop of New York, both of whom returned from Europe in order to officiate at the marriage.

The ceremony was witnessed only by the immediate members of the Vanderbilt and Whitney families and a limited number of intimate friends, principally young people.

The mutual programs, the concluding numbers of which were Mendelssohn's "Wedding March" and the "Star Spangled Banner" were given by Nathan Franke's orchestra.

Miss Vanderbilt's wedding gown was of white satin, made in the simplest manner possible with high neck and long sleeves. Point lace was its only embellishment.

The bridesmaids' gowns were in colors to correspond with the decorations. These gowns were extremely effective, though simple. They were made of white mousseline de soie. The skirts were made of crepe de chine, with deep ruffles of cream colored

velvet. The bride wore a white gown with a high collar and long sleeves. The bridesmaids wore gowns of various colors.

The ceremony was performed by Bishop Potter. The wedding was a quiet affair, but it was a brilliant event.

D. R. FRANCIS CHOSEN

THE EX-GOVERNOR OF MISSOURI TO SUCCEED HOKE SMITH.

President Cleveland Announced the Appointment of Gray Gables—It Created Some What of a Surprise in Washington. The Career of the Cabinet Officer.

BREWER'S BAY, Mass., Aug. 26.—Announcement was made here in Cleveland at Gray Gables of the appointment of David H. Francis, ex-governor of Missouri, as secretary of the interior, vice Hon. Hoke Smith, who recently resigned the secretaryship because of his financial views. Mr. Francis will probably assume office on Sept. 1, as that is the date named in Secretary Smith's resignation.

A Surprise in Washington. WASHINGTON, Aug. 26.—The announcement that the president had appointed ex-governor Francis to succeed Mr. Smith as secretary of the interior rather surprised Washington, more because of the suddenness with which it was made than because of the selection of Mr. Francis.

The reasons for Secretary Smith's voluntary withdrawal from the cabinet were understood as soon as the announcement was made on Saturday and was naturally expected that as he had retired because he felt obliged to support the nominees of his party at Chicago his successor would be in full harmony with Mr. Cleveland on the money question. It was a feeling that the president would probably select Mr. Smith's successor from the middle west, as the south was already well represented in his official family. Speculation therefore went to Missouri, Indiana and Illinois, and the name of ex-governor Francis, ex-Congressman Bryan and others naturally suggested themselves.

Governor Francis took a strong stand in favor of the gold standard in the preliminary battle for delegates to the Chicago convention, but he and his associates were disapproved in his state. During the convention he was not very active. Since the convention he has, it is said by his friends here, given no public utterances as to his position with regard to the Chicago ticket and so far a known has not, less actively, allied himself with the movement for the Indianapolis convention.

Warm Supporter of Cleveland. Governor Francis took a strong stand in favor of the gold standard in the preliminary battle for delegates to the Chicago convention, but he and his associates were disapproved in his state.
