THE HAMILTON ROAD LAW.

a law will apparently effect a radi- be fairly protected and enabled to cal change in the system of working reap some substantial gain in the medeling of the old hall of the house a large amount of basement exeavatax which can be levied. Under it no more than 10 mills can be levied unless the Board of Supervisors, by and the people full protection. unanimous consent, make application to the Court showing why the additional tax should be levied, and giving the citizens an opportunity to to pay debts due former incumbents, and under the present law, unless a Supervisor is a large tax the people are practically paying a cash road tax every year now.

Road Masters, who are not elected, but appointed by the Supervisors If the people elect good business men as Supervisors they will see the present basis for their own ends. that the road masters are men of and that seems to be the reason intelligence, and competent to do why the measure is not pressed. the work in a proper manner.

the work in a proper manner.

It is a fact that the money to a great extent now used on our roads is wasted. This cannot be gain said by any body, and if any plan can be devised and carried into operation which will competent and workmanlike expenditure of the money, it will be a gain, and the roads will be improved. We think the farmers are bearing as great a burden of taxes as they are able, and the farmers are bearing as great a burden of taxes as they are able, and the farmers are bearing as great a burden of taxes as they are able, and the farmers are defined by the filling that the farmers are bearing as great a burden of taxes as they are able, and the farmers are bearing as great a burden of taxes as they are able, and the farmers are bearing as great a burden of taxes as they are able, and all arrangements design and of capital and all arrangements design and trained or which tend to capital and all arrangements design and to restrain trade or which tend to capital and all arrangements design and to restrain trade or which tend to do restrain trade or which tend to capital and all arrangements design and to restrain trade or which tend to advance, reduce or control the price or the cost to the product or arricle of trade, are hereby declared against public policy, unlawful and the time has come when the dottor or ganizations." Corporations chartered by the tribunal before which the time has come when the dottor or ganizations." Corporations chartered by the tribunal before which against public policy, unlawful and the time has come when the dottor or extend or the consumer, of any such product or arricle of trade, are hereby declared against public policy, unlawful and the time has come when the donsumer, of any such product or arricle of trade, are hereby declared against public policy, unlawful and the time has come when the donsumer, of any such product or arricle of trade, are hereby declared against public policy, unlawful and the time has come when the time has come when the time has come when th burden of taxes as they are able, ate it.—Philadelphia Record. but, can any one say that they are or have been using their judgment about your husband's incubator?" "Oh, yes; this is where the dear littator or agent, or in any other caststing that their money shall be so expended as to make permanent expended as to make permanent the brooder do?" Why, it lays the improvements on the roads. If they eggs."-Chicago Record. have not, then this improvidence should be checked for their own SHERIFF'S SALE. benefit, and the wasteful system abandoned. Certain it is that the roads do not show any material improvements from year to year of a of Pike County, to me directed, I will explain a strong sentiment developing against it.

Its passage through the senate will be permanent character. They remind the Sheriff's Office in the Borough of Mil the state of the Sheriff's Office in the Borough of Mil the state of the sheriff's Office in the Borough of Mil the state of the sheriff's Office in the Borough of Mil the state of the sheriff's Office in the Borough of Mil the state of the state of the sheriff's Office in the Borough of Mil the state of the sheriff's Office in the Borough of Mil the state of the sheriff's Office in the Borough of Mil the state of the sheriff's Office in the Borough of Mil the sheriff's Office in the Sheriff's great labor and trouble got his sand loaded and started up a hill with the at a color all that covered lot or result lot or resu loaded and started up a hill with the tail board of the wagon out. When he reached the top of the hill the sand had all leaked out of the wagon body. Now the man would have been called a fool, and justly, if he repeated the same experiment, and yet the same plan of throwing dirting in the roads and having it washed out by the first shower has been repeated from time immemorial. Every year you put your money in the road to find it in a short time down in some field or lying along-side. The Hamilton biil may not be perfection, but it is a step to
Indicate that the certain lot or parcel of lands that the remedy provided for the write interesting the total that the certain lot or parcel of land strated in the Township of Shabola, and Pennsylvania, bounded as follows: Beglinning at corner on the porthwest side of the remedy provided for the write interesting the township of Pennsylvania, bounded as follows: Beglinning at corner on the porthwest side of the remedy provided for the write interesting the township of Pina and State of Pennsylvania, bounded as follows: Beglinning at corner on the porthwest side of the remedy provided for the remedy provided for the write interested in treatile to are parted in land clustes in the County of Pina and State of Pennsylvania, bounded as follows: Beglinning at corner on the porthwest side of the remedy provided for the remedy provided for the remedy provided for the write interested in the County of Pina and State of Pennsylvania, bounded as follows: Beglinning at corner on the porthwest side of the remedy provided for the time to follow in the County of Pina and State of Pennsylvania, bounded as follows: Beglinning at corner on the porthwest side of the remedy provided for the remedy provide loaded and started up a hill with the be perfection, but it is a step toward establishing a guardianship over the money which taxpoyers land, and persist in flinging away on the pretense of working roads.

TROLLEY LINES ON HIGH

WAYS.

There are at present two bills before the Legislature providing build-

ing electric railways in the country, and to allow them to carry freight as well as passengers. One of these bills intends to cover the decision of the Supreme Court made some more than a year ago when it held that OFFICE, BROWN'S BUILDING, BROAD ST. townships had no right to grant franchises to trolley companies to Entered at the post office of build along the highways without Milford, Pike county, Pennsylvania, obtaining consent of adjoining prop-

> erty owners. These railways can be built with comparatively little cost and can traverse sections of the country where steam railways cannot go. They are great aids to the prospering should be encouraged. However 3.00 In time they may and doubtless will 5.00 become very valuable property and the privilege of building them should not be granted without some officient safeguards for the future protection of the public.

The companies in time could af-This act should it finally become that in the future the people would

H. I. Courtright. Sheriff's Office, April 18, 1807, a Milford, Pa

HARRISBURG LETTER.

Mr. Nesbit Reiterator His Charges of Irregularities

IN AWARDING STATE CONTRACTS.

Provisions of the Anti-Trust Bill Which Has Passed the House and Now Awatts Action in the Senate.

The New Capitol Building. (Special Correspondence.) Harristone, April 18. Representative Sesbit, of Northumberland county, still harges there are trregularities in the manner of giving out state contracts. He has fited with the house committee a public buildings and grounds a seven ity of the country and their build- page statement setting furth alleged aboves in the administration of the department of public buildings and care should be exercised that they grounds. Among the charges made are that plans and specifications for the rection of for the revision of public sulldings during recent years have son so written as to greatly limit the prortunity of responsible contractors est loss to the state. In the cression the new executive building, and re-odeling of the old house, specificatain articles of esectal manufacture at The companies in time could af-ford to pay compensation for these the proper cost of said arrives. It is also charged in this statement that valuable rights and such provisions plans and specimentons have been so should be made in granting them should be made in granting them. to be exacted of the contractor. Yet it is claimed that honest bidders were compelled to bid on these. In the re-

> specifications were omitted. Pave-lies contractors were given to understand that this work could be omitted, and they thus bid accordingly.
>
> To litustrate the correspondences which has characterized the state's scrattny and inspection of bills which have been resented by favorite contractors for naterials and worksmuside furnished o the state Mr. Neshit points to the ent, he claims, to the most casual in-spection, and to the admitted facis that the building, although but three years mpleted, already needs a new roof. this will establish the fact that many

> The Anti-Trust Bill. Perhaps one of the most comprehen-sive and important measures over en-

net are declared to be destructive of far. free competition and a conspiracy The following statistics, as taken against the public interest. Any person from the books of the transcribing out any orders in furtherance of said conspiracy, shall on conviction be purished by a fine not exceeding \$5,000 and ished by a me not exceeding \$5,000 and imprisonment in the re-identity not exceeding three years. It is a duty incumbent upon the district atterney, upon the compliant of any citteen, to proceed in his official capacity to seure the indictment of persons or cor-

orations infringing on the act.

This bill is not likely to meet with much favor in the senate, as there is a

bedy will suffer this in be done. The house pre-mises no man as master, and a spiril of great independence is a very marked churcheristic. One of the elements that give atrength to this influence comes from the Democratic members, who stand in solid phalanx and throw their weight to one side or the other as they are satisfied as to the value of the measures to be emacted. The other factions find it necessary to secure their influence, and they have to have some regard for the minority, it is doubtful whether the house of representatives of this commonwealth was ever in better trim to secure for the people wise and indicions legionation than the present our. This is becoming more noticeable such week. It would be well if the senate were similarly belanced. Too much smoothness characterizes this body, and they are accreated with puseling about leady will suffer this in be done. The re accredited with pushing about very measure that comes before them. Another bill to passe the senate thin the past few days was the Bam-ton road till, or senate bill No. 9, by vote of 41 to 6. This bill is graving

n popularity, and will pass the house with a good sized majority. There seems to be a strong scriftment develofthe in its favor in many of the goon-Electric callway tegulation is now reot operated by steam to carry freight while the other practically gives the electric railways the right of eminent doronin. The object of these measures is to avoid the influences of the ex-preme court decision, which has been an obstacle to the extension of electric roads into the country around Phila

The reform legislation that was rence to this are not regarded with special favor. Some of the members who were thought to be friends of those measures do not take kindly to them. Unless there is a decided change in the sentiment of the house there are none of the reform measures likely to

Opposing an Excise But, Although a meeting was field in the chamber of the house of representa-ives in the interests of the excise comnission bill, and a number of able at orneys spoke in behalf of this meas

tre, their efforts seem to avail but lit-lie. The provisions of this bill authorizes the establishment of a comnission composed of attorneys, or per id be to pass upon all bills as to their legal form and constitutionality before they are introduced in either house. It is feared that were this bill to become a law there might a spirit of favoritism develop, and in that event only certain measures be permitted to go before either house. It is also ob-jected to on the ground that it tends o increase the number of the officials of the state, and thus add to the ex-

Although several apportionment bills have been introduced. It is extremely doubtful whether there is any logislation effected in this respect during this ression at least. The difficulty is to frame bills that would satisfy the majority, as in order to make a fair apportunity, as in order to make a fair apportunities. ticmment some counties would neces-sarily have a reduced representation, and this would incur great opposition

some men in the attempt to retain the present basis for their own ends, and that seems to be the reason why the measure is not pressed.

tracts, agreements, trusts or combines, choose his own time to furnish the evidence has been basis for their own ends, the present or which tends to lessen, or which tends to lessen, full and free companies to the burning of the capitol. In any time of trade or business throughout the state, whether in the importation or sale or in the buildings and grounds commission, respectively. in the importation or sale of in the manufacture and sale of articles of domestic production or of domestic raw material, and all arrangements design-

cleries show the progress of legislation in both the senate and house. House bills rend in place, 928; house bills reported from committee, 461; senate bills read in place in the senate, 40% senate bills reported from house committee. 61; sennie tills reported from house, 40 house bills passed and in the senate, 79, house bills in the governor's hands, approved, %; recalled, 2; senate bills passed in the house, %.
 These bills passed the house finally

within the past few days: Requiring constables to make returns to court only when they have violations of law to report, except where otherwise pro-vided for by rule of court; authorizing boroughs to make appropriations to establish and maintain free public braries; to provide for teyring school and school building taxes on the city valuation in third class cities, the school district comprises the same territority as the city; validating conveyances and instruments of writings executed by attorneys in fact; supple-ment to the act of May 12, 183, to provide for the assessment and collection of special taxes upon properties abut-ting for street sprinkling and street
