What it will do for you

First—It will buy for you any house de-sired or build you a house according to you own plans, for a payment of not less than 10% down.

Second—It will assume any mortgage on your property, and advance you more money, if desired, not to exceed 60% of its valuation. At above rules you would own your property free and clear in just 500 months; you can pay as much more as you wish, and reduce the time in pr partion, or the full amount will be received at any time.

dms,

The first proposition enables you to conrest your rent money into the ownership
of a home.

The second proposition enables you to
reduce the interest rate on your morigage
and at the same time be paying off the
orincipal each month.
