Operations In the Pittsburg District at a Stundstill -Programme of the Stellers Emtenyoring to Get Miners at Canana

Pittsburg, July 21.—The attention of the miners of the Pittsburg district is now riveted on the Allison. Boone and Enterprise mines near Canonsburg. The Boone and Allison mines, which wars

character. The mine owners and oper-ators claim that the efforts of Debs and other emissaries of the United Mine other emissaries of the United Mine Workers now campaigning bere have Workers now campaigning bere have Washington. July 21.—The tariff configuration of the senate, though hut little progress promptly returned to work as soon as promptly returned to work as soon as the agitators have left. On the other the agitators have left. On the other of the report three is no indication of the report. There is no indication of when the final vote will be reached.

hand, Debs and his associates claim to have made substantial accessions to the number of strikers here and assert that by the end of the week all the mines of the state will be practically closed.

The Fairmont managers declars that if the Watson men, about 1,000 in number, can be kept at work, the other mines will be working Thursday as usual. Debs spoke at Rivesville tast not be union was organized. The Watsons and their men are on excellent terms, and their men are on excellent terms, and neither side has any grievance. They lead the region in production and profits and have the miners tied up in agreeable contracts to purchase chean. The large of the statement that on the final voice will be reached. An exactly in a uniform the final voice will be reached. An exactly in a uniform the final voice will be reached. An exactly in a uniform the final voice will be reached. An exactly if the the statement that on the American side of the international boundary placer fields have been found the first less that the final voice will be reached. An exactly if the the statement that on the American side of the international boundary placer fields have been found the first less that the threat was regarded as somewhat facestous.

The sugar amendments occasioned to the statement that on the first voice will be reached.

An extractional American add of the international houndary placer fields have been found which even put those of the Klondike into the state. When his party was descending the Yukon on the return from Dawson City the statement that on the first vast restored to the free list that the first vast regarded to the free list was regarded which even put those of the first hat the conference rates were long that the statement that on the American add of the international theorem is due to the first was regarded which even put those of the first hat the conference rates were long that the statement that on the first was regarded which even put those of the Klondike into the state.

When his party was descending

nor is there interference, trainload after trainload passing through Ohio Notwithstanding desertions among the

minors in the Fairmont district, large quantities of West Virginia coal are passing through Whooling for the west and lakes. There has been no repetition of the driving of spikes into frogs on the Whoeling and Lake Erie, which occurred on Monday, and the universe officials in the castern Ohio district are ciais in the castern Ohio district are strenuous in their dontal of any knowl-edge of the act. So far there is no clew

THE COAL MINERS' STRUGGLE FOR CONFEREES' REPORT ON THE TARIFF ADOPTED-185 TO 118.

> Five Democrats Joined With the Repub-Benne In Support of the Moustre-Spirsted Debate on the Sugar Schedule, Bulley Cloves For the Stinority.

Washington, July 25.—The conference report on the tariff bill has been adopted by the house by a vote of 185 to 118, and the report has gone to the senate or neturn there. The result was accomplished after 12 neurs of continuous tobats. But two speeches were made

scarcity of game.

Gold on the American Side. San Francisco, July 21.—F. G. H. Bowker, one of the returned Yukoners, who brings back nearly \$40,000 in gold

They lead the region in production and profits and have the inhors ited up in agreeable contracts to purchase cheap homes and to furnish necessaries in sickness and death.

It transpires that Debs has been shadowed by two Pinkerton men and that he has been threatened with death if the goes to Kanawha. He will go, however, tomorrow. A gang of 150 Italians are expected to arrive at Pairmont. They were to have worked on a new railroad, but will try mining.

In the Kanawha valley there is no material change, the success of the organizers at one point being offset by resamptions at others.

Governor Atkinson, who is now here, thinks the strike will become general and hopes the men will win. He easy he has not been consulted about using the military and that none but the most vicious to uthereak would call for its mas. The Glendale military, and they thereaten to march upon the Boggs Rum mine today, and this will be used to redeem United States now has and treasury notes, which shall not be different to march upon the Boggs Rum mine today, and this will be used to redeem United States and treasury by the angle of the party were well known to the Yukeners, and full credence is given to the storage and treaters from Senders from Senders and tental from Senders from Senders and to an and Pettigrew.

The lumber amendment also brought tout animated criticism from Senders from Senders and that across the Aliaske boundary. TEN EYCK THE CHAMPION. As American Wins the Diamond Souli

Race of Honley. Henley on Thames, July 17.-For the first time in the annals of rowing at Henley an American has wen the Dia-mond soulls. Edward H. Ten Eyck, 19 years old, of the Wachneset Boat club, Massachusetts, defeated in the semi-finals B. H. Howell (American) of Trighty hall, Candelder, and in the shall Trinity hall, Cambridge, and in the final H. T. Blackstaffe of the Vesta Howing club, London.

Ten Eyek said after the race "Naturally I am very much pleased at winning by a length and a half over to good a man as Blackstaffe. I don't think I was pumped out at the end, for, although perspiring freely, I was not rowed out. It is a mistake to say that I rowed over so as to take Blackstaffe's water. The fact is that for a moment I found myself there, as in the race with

E. H. TEN EYCK.

Howell, but I got out as quickly as

regatta officials."

The sider Ten Byok added: "We have been well treated by everybody with whom we have come into official contact. As for the Yankee tricks of which nor have to see an a word to by our oprompt him to do anything tricky. Naturally I am pleased that he has proved himself so fine an carsman."

However great Ten Eyck's unpopularity may have been with the crowd that witnessed his defeat of Biackstaffs, he was given the biggest reception of any of the prize winners.

A proclamation has been issued by a Madagasara fribe urging the slaughter of all Europeans is the island except island of Strombolt, one of the Lineri islands.
