LAYTON.

On Sunday evening last while the family of Mr. N. H. Hopkins of Branchville was at church some Godless miscreant entered his grounds and cut down a great amount of choice trees, shrubs and flowering plants. Pots containing winter flowering plants, shrubs were emptied of their contents and then broken. One bed of plants which cost \$15 and had been recently set out in an attempt to do all the damage possible in the short time that Mr. Hopkins was absent from the house. These grounds were the finest in Branchville and the pride of the owner. The work of four or five years and the expenditure of much money is thus wiped out in a single night. Mr. Hopkins is greatly respected in Branchville and the people of that town are thoroughly aroused and angry that such a dastardly act should have been committed in their usually orderly town. It is an action to say the least that amounts to \$50.00 in damages to the property of Mr. Hopkins and is a reward for the detection of the criminal.

W. C. Hersh, Frank Majors and B. D. Hersh are spending a part of this week in New York combining business with pleasure. If they get around to all the sights they wish to take in, we venture to predict that there will be a great demand for arnica plaster, and corn cure about time they get back.

John Henry is practicing the bicycle a bit and is almost as frisky as a Texas broncho, but Wash will persevere and be a good rider pretty soon if not sooner.

John Henry the host of the Sussex House in Branchville secured the dinner privilege at the Farmers, Mechanics and Tradesmen's Picnic at Culvers Lake Aug. 14. In addition to the regular line of sandwiches, pies and cake usual at such places, Mr. Henry purposed running a regular clam bake. The clam dinner will be served at 2 o'clock, and John says he is going to do it up right, and he will. You had better be there.

Here "Dick" goes and says we are proud as Lucifer or Croesus or some other old outger that lived away back in our grandfathers days. I am sure I have too, but an opinion of "Dick" not to see him whenever I can and to greet him when I see him. We plead guilty to having some pride but not of the kind that would prevent our remembering our friends of which we are pleased to number "Dick" as one. We plead innocence of intent.

The Hainesville church is said to be in the best condition within and without as far as painting goes, of any in the valley. When are the Layton people going to put the renovating touch on their church. It begins to look a little rusty as compared to the others in the valley.

J. W. Johnson has his new dwelling on its feet, and looking quite much like a house already. Will be ready to live in his own home soon it is certain by the way he is rushing it along.

B. D. Hersh completed the telephone line between Pinesboro and Millbrook last week. He says they have first class service on the line and are only one wire between the two points in a whisper so perfect is the equipment.

The sale of privileges on Saturday for the Farmers, Mechanics and Tradesmen's picnic (Wash Lane Auctioneer) went off well and brought nearly \$200.

Peter Youngs an aged and hard working citizen of Hainesville is seriously ill, and with scant hope of recovery.

J. E. Everett who formerly occupied the Hainesville House is now running a saloon in Newark.

Our old friend Robt. S. Youngs formerly of Sandyston, but now resident in Orange spent a few days here this week recovering

old acquaintances. Rob. is a typical looking business man, and is a brother always. Bondage is reported to have changed young Lawson again last week. Lawson is evidently in danger of losing his scalp, but then "the threatened man live long" so it would not be surprising if he were to fight another day. This thing is getting to be an old chestnut however, and those fellows better bury the hatchet before they wander into a son of trouble, and have to be fished out with the drag net of the law.

The old veterans are talking some of attending the National Encampment of the H. A. R. at Buffalo, August 23 to 26th. All railroads offer reduced rates to and from the encampment, and the trip can be made a very pleasant one at a moderate expense.

N. H. Hopkins now employs in his straw mill, and peach basket factory at Branchville about 25 hands. They are now turning out 2000 finished peach baskets with covers, and 60 crates daily. These are all extra strong and well made, and parties in want of them can get loads at any time without preliminary correspondence as a large stock has been accumulated previous to the ripening of the crop. Mr. Hopkins contemplates putting in a larger boiler so as to increase his facilities and extend his work into other lines of woodwork.

The report we notice in one of the papers that Shy J. VanVoss has purchased the Hainesville House is evidently based upon misinformation. Until very recently at least the title remained in J. E. Everett but is liable to change at short notice.

The school houses of this town will be thoroughly cleaned before school commences and out of date screens replaced with those better fitted to properly warm the room without the use of such a great amount of fuel. How nice it would be if every school house could be well painted both inside and out, and how much more attractive to teacher and pupil both it would be. The churches receive such attention regularly and why not the school houses.

MONTAGUE.

Judson Kerr has traded "Phil" for another trotter.

Thos. Dutton Jr. has sold out his store to his brother, James, of New York. Thomas is getting ready for the race for county clerk.

Prof. J. J. von der Heide, of New York, is at the Red Cottage. Miss Sally Townsend, of New York, is visiting her mother, Mrs. A. Townsend. David McCane is spending a few days in Pike county.

William Hyman has returned from Markboro. Wade Buckley and wife and Maria Yeh Dusen, of Port Jervis, called on Montague friends yesterday.

Robert S. Youngs, of East Orange, is at Brookside. Montague has a catkiller. Pettibone has sold "Wild Bill" to Miss Ella Swartwout, of Sandyston. She purchased a new carriage and has as fine a turnout as any young lady for young man within our limits.

Because a person wishes to patronize whom they please is that any reason why abuse should be heaped on to them behind their backs. Any guilty of such narrow-mindedness shows considerable lack of gray matter.

Three young men walked from Libertyville to Raymondville falls and back on a total expense of eleven cents.

No doubt Hixon will be over on Tuesday and I will let the Pass readers know how he succeeds. Dick

DELAWARE.

It is with deep regret we chronicle the death of Miss Helen N. Dupue which occurred at her home in Lebanon, Pa., August 18th at her home in Lebanon. She was taken sick about seven weeks ago, but the disease was not serious until she fell into some colds since when her condition rapidly changed for the worse. Monday preceding her death developments in her mind which had been in a state of improvement, but on Wednesday it assumed a changed form, and the spark of life was not completely extinguished when it became extinct. She was active in the Methodist Sunday School, being organist, leader and member of a lovely church she became endeared to her friends and companions, and will be greatly missed in this community and in the society of her friends. Her death is a heavy loss to the family who are called to the threshold of a life seeming so full of promise and usefulness. She was aged seventeen, and was the daughter of Palmer Dupue. The funeral service took place at her late home last Sunday afternoon, conducted by Rev. Fountain of Sand Hill, who delivered an impressive discourse based on John XI chapter 14 verse. Interment in Sand Hill cemetery.

DINGMAN'S FERRY.

At the Administrator's sale of the personal property of the late John B. Van Anken many of the articles sold brought fair prices and others failed to do so. There was a large attendance, and many of the people present were from across the river. Washington Lantz was auctioneer on the occasion.

Arthur Knery is visiting his sisters, Mrs. Fannie Lamore and Mrs. Emily Downs, after an absence of some twenty years. He went to the West, where he made his territory in Venango county and thereabouts was booming and in his glory, and since that day has followed until about six years since, different vocations connected with the petroleum business. Later he visited South America. But we are sorry to say he was injured by a stone falling upon his head, some time since, which resulted in a very great damage to his eyes, and at present he is almost blind. He is nearly gone, notwithstanding he has been treated by some of the best oculists in Philadelphia.

Three years ago, William Mink built a new dam across the Little Bushkill creek in Lebanon township, not far from where the old "Ridgway" Dam stood, for the purpose of making a plebeian pond, and his success is flattering indeed, for the largest catches of the finest minnows this excellent fish have been taken this summer. J. B. and David Angie lately caught 40 splendid specimens in about three hours, and a few days afterward J. B. Woodcock and Harry Gordon, with two friends, caught about 25 pounds, we frequently hear of different parties catching large fish. Nothing less than a fish 14 inches long is allowed to be retained. The method of fishing is by trolling a short line and spoon and fishing oiled. Four parties, however, took great numbers from the channel while a net, for a short time after the two large ones were drained.

Andrew Cron, of Centre has two large rattlesnakes in his lot. He caught them both in one week while he was harvesting his grain.

In town on Sunday visiting friends in this village. Miss Carrie Lilly of Matamoras gave an outing party on Wednesday afternoon to her Sabbath school class, and a few other friends at Buckley's Grove. Mr. Ben Lilly drove 40 members of the class to the grove. The little people enjoyed the excursion very much. They all had their baskets well filled with good things to eat. A nice supper was prepared in the grove, which was very much enjoyed. Miss Carrie's wife and friends rode upon their wheels and had supper with the class. Every one enjoyed the outing party. Many thanks are extended Miss Carrie for her kindness.

Charles K. Duran, aged 36 years, died at his home in Matamoras, about 10 o'clock this morning from an ailment of the stomach after an illness extending back three months. He was born December 17, 1887, at Sheffield, Mass., and came to Port Jervis about 20 years ago and engaged in the railroad business in the capacity of fireman. He has since resided in Port Jervis and Matamoras. He is survived by his widow and two sons, V. T. Duran and John S. Duran, both at home, and also the following brothers and sisters: Mrs. Lu. Clark, of Sheffield, Mass.; Mrs. Mary Mullen, of Winsted, Conn.; Mrs. Julia Cohen, of New York city and John Duran, of Sheffield. Mr. Duran was one of the most trusted men in the service of the Erie enjoying the confidence of his employers and the respect of his fellow employees. His upright life and character won for him the esteem and admiration of the community in which he lived. His death will be generally deplored. The funeral of Mr. Charles Duran took place Sunday afternoon at his residence in Matamoras. A large concourse of relatives and friends attended to pay their last respects to him who had been a kind husband and a loving father. His family have the sympathy of the citizens of this place where he has made his home for a number of years. Rev. W. C. Curtis and Rev. D. Halloran of the Drew M. E. Church conducted the services. The interment was in Laurel Grove cemetery.

A banquet was given at Philadelphia on Thursday, Aug. 6, at Odd Fellows' Temple, on Broad Street, by the different Councils of the American Legion of Honor. Mr. Frank Heath representing the Council of Matamoras. Over 500 were in attendance. Mr. J. Roberts, the general manager of the order, delivered a fine address and Mr. Heath made some appropriate remarks. The tables were elaborately decorated and the different courses were very much enjoyed.

A lawn social place on Thursday evening at the pleasant home of Mrs. Elmer Duray on River street Matamoras. The C. E. Society connected with the Epworth club were in charge. Ice cream and cake were served.

Mr. and Mrs. Taft of this village will celebrate their golden wedding, on next Thursday evening the 17th of August, between the hours of 8 and 11 o'clock. Full particulars in next week's issue.

Mr. D. B. Allen, of this village, while putting in a patent hay fork in the barn of a farmer below the Beck House, this morning fell from the fork and dislocated his left shoulder. He was taken to his home, where his injuries were attended to. Miss Eleanor Duray of Matamoras while riding across the bridge over the creek was run into by a male cyclist. Miss Duray was injured slightly while the other rider escaped unhurt, but his wheel was badly injured.

LEDGEDALE.

Christian Raser is entertaining summer boarders. Oliver H. Wolfe and wife, of LaAnna, were guests of R. Kellam and family last Sunday. The Ladies' Aid of Simonstown will meet at Mrs. J. Wesley Robinson, August 14th. The Ladies' Aid of East Sterling met at Mrs. Gilbert Rortree's on August 10th and will hold their next meeting at Mrs. R. W. Gilpin's in Pike county.

Charles Freligh killed a large yellow rattlesnake near his evening mill which measured four feet and ten inches. Mr. and Mrs. J. S. Simons are visiting their daughter, Mrs. Frank Gilles in Pleasant Mount. Charles Kellam wheeled to Paines on Sunday and was the guest of George N. Kellam and family. Nearly everybody went to the Odd Fellows picnic last Wednesday at Lake Ariel. Miss Ella Simons wheeled to Noblestown last Sunday. WAYNE CO.

GREENTOWN.

The Hooklog Grove Sunday school will hold their picnic August 17th at the Elms Grove. Addressed by Rev. David Evans and A. J. Simons M. D. The Newfoundland base ball team will play a game of ball with East Sterling on the afternoon. Most of the farmers in this part of the county have finished haying. The recent rainy weather delayed the haying also spoiled considerable hay and damaged grain considerably. The hay crop is much better than it was last year. Corn is looking well although it is about one week later than usual. Buckwheat is looking fine here for a good crop. F. G. Hames has his new house up, but he began working on it long before it was over. Geo. A. Baker is the carpenter. T. H. Gilpin has bought H. F. Kipp's steam boiler which he will soon move to his mill. He also expects to put in a stronger engine to run his stick factory. The Salem camp meeting will commence Tuesday evening August 17th, and will close on Wednesday the 20th. George A. Sweninger and wife visited the former's mother last week in Greene township.

What it will do for you for a monthly payment of \$8 per \$1,000—\$5 of which applies on principal, \$3 is interest. First—It will buy for you any house desired or build you a house according to your own plan, for a payment of not less than 10% down. Second—It will assume any mortgage on your property, and advance you more money, if desired, not to exceed 60% of its value. At above rates you would own your property free and clear in just 200 months; you can pay as much more as you wish, and reduce the time in proportion, or the full amount will be received at any time. The first proposition enables you to convert your rent money into the ownership of a home. The second proposition enables you to reduce the interest rate on your mortgage and at the same time be paying off the principal each month. For further information call or address J. H. Van Etten, Attorney, Milford, Pa.
