Pennsylvania's Rig Wheat Crop.

partment much could be told of the bungling work of the legislature.

Colonel Thomas J. Edge, the state

secretary of agriculture, says the area devoted to wheat in Pennsylvania this year is from 1,275,000 to 1,350,000 acres.

and he conservatively estimates the yield of wheat at 20,000,000 bushels. He

says the advance in price came at a time when very little wheat had been sold by the farmer, so that he gets the benefits of the big jump in values. With the present figures as a basis,

he says, the net gain in values to the

farmers of Pennsylvania by reason of the great advance in the price of wheat

is simply enormous. He thinks the effect will be felt in all channels of trade

Senator E. B. Hardenbergh having been set aside as a candidate for au-ditor general this year by the Republi-

an state convention, it is understood

that he will hob up serenely as the can-

didate of the purty for secretary of in-

termal affairs a year hence. Harden-burgh hasn't much faith in postponed political promises, but the belief is en-tertained in Republican circles that he

will be given a place on the ticket next year. He was endorsed for the nomina-

tion for auditor general by the labor
