AN EXPLANATION.

But It tart Mr. Cole Out in the Cold Mile Tielets Did Not Show Dp.

The friends of Jackson Cale throughor fusion county who knew that he had been resident of, and done business for more blan eight years in Sandyston township were soussed when the returns came is showing that he had scoured but the beg garly number of \$3 votes in this town for County Clark. In justice to Mr. Cole who has many warm friends in this township, who have the highest regard for his ability and integrity, I wish to call attention to the most apparent reasons why Mr. Cole did not receive that support to which he our people shood ready to scoord to him In Jackson Cole was represented two wel defined principles of Democracy, as h-views it. First, To maintain the one tern policy as declared, and established in Democratic convention; Second, To apply honest business methods to the conduct of the campaign, to the charge of the effice i

When he came into this town, only three r four days before the primary, he an A. Wiegami, Wednesday at the funeral of the late inneanted Mayroph Rimbell, iteq. The following is a syropals thereof:

Text, Roy 14: 18—'theard a velce from heaven saying, write the search and that die in the Lord. Yea saith the spirit of the search and their works do fellow them.

The Patrons of the soul, the celestial stateway where the eye of faith feasts upon revealed glory. This voice from heaven a might have been the message of the redeceded to their friends spon earth or may have been the message of the redeceded to their friends spon earth or may have been the message of angels to men upon earth, but I was undouttedly the voice of the Father.

The contains sweat words of consolation to us. If he our brother who died in the Lord could speak, this would be his message to us. If he our brother who died in the Lord could speak, this would be his message to us. If he our brother who died in the Lord could speak, this would be his message to us. If he our brother who died in the Lord could speak, this would be his message to us. If he our brother who died in the Lord could speak, this would be his message to us. If he our brother who died in the Lord could speak, this would be his message to us. If he our brother who died in the Lord could speak, this would be his message the God whom he served. His life of received the two packages, with 100 in enach left in the beautiful thought occurs to us in his best in the answered, that he had taken then beautiful thought occurs to us in his best in the shall read from the beautiful thought occurs to us in his best in the shall read from the beautiful thought occurs to us in his best in the shall read from the beautiful thought occurs to us in his best in the shall read from the beautiful thought occurs nonneed his candidacy to the people, and left his tickets with Mr. Alfred Beyons, James B. Fuller, and E. B. Kintner near the conclusion of the voting, In room off of the polling place with some ment house opposite Miliott's hotel on remarks about his not having thought is advisable to distribute them, as it migh antagonise the other candidates or their friends who were working in their inter eats. Thus you see that with no ticket withdrawals or combinations was likely to arise and many friends of Mr. Cole be in cannot say, without further investigation

A NEW TELEPHONE.

Will Decrease the Cost and Do Ayeny

An invention is now being exhibited in New York, which it is claimed will have all the advantages of a private line without any of the disadvantages, and will dispense

The following named pupils attended disturbing the bells of any of the present private-line system requires the ringing of all the bells on the line one, two or more times, according to the number wanted. Under the existing system it is necessary to have two wires from the central office for each subscriber, while new telephone will require only five or six wires for a hundred or more, or six wires for a hundred or more, the idea being that there will always be a wire not in use. The telephone is switched automatically to this wire, and if all are in use the mechanism is so arranged that it will be a wire any other first-class line. W. V. Burcher has his sawyer, Mr. anism is so arranged that it will Adams, doing up some sawing and is now make a metallic drouit on the first unused wire. It will not, however, cut in on a busy wire.

A company has been formed which intends to begin the use in No small towns and villages where the on Saturday and Sunday. He is working Boll system by reason of its cost cannot be maintained.
