

Why not be well?

If you are suffering with any disease of the Kidneys, Bladder or Urinary Organs, **Dr. David Kennedy's Favorite Remedy** will make you well again. It has cured cases that bordered on the miraculous.

It quickly cures men and women of inability to hold urine, and they are not compelled to get up often and make water at night. It removes the scalding sensation in passing it, and, when taken according to directions, it invariably cures pains in the small of the back. **Favorite Remedy** not only cures Stone in the Bladder and Bright's Disease, but prevents them from developing.

One case is that of **JOHN J. KELL**, of 2011 North Eighth Street, Philadelphia, Pa. In 1889 he began to suffer indescribable miseries from Stone in the Bladder. An eminent physician said a surgical operation was necessary. If unsuccessful it meant death, and Mr. Kell put off the evil day as long as possible. While in this frame of mind he heard of **Dr. David Kennedy's Favorite Remedy**, and bought it. Before he had finished the third bottle the gravel was completely dissolved and his sufferings were at an end.

Favorite Remedy is a perfect Blood and Nerve medicine. It restores the liver to a healthy condition, cures the worst cases of Constipation, and all diseases peculiar to females. It cures Scrofula, Salt Rheum, Rheumatism. Your druggist will sell you a regular full-sized bottle for \$1.00.

M'KINLEY'S ADDRESS. STORM'S FATALITIES.

THE PRESIDENT ON CURRENCY AT MANUFACTURERS' BANQUET.

Declares That Congress Must Redress the Wrong Made by the Republican Platform at St. Louis—The Necessity For Financial Legislation Emphasized.

New York, Jan. 31.—The third annual banquet of the National Association of Manufacturers was given last night at the Waldorf-Astoria. It was the largest public dinner ever given in New York, and the resources of the hotel were taxed to the utmost to accommodate the members and guests on one floor. Nearly 1,000 were served in the large ballroom and its adjoining rooms and in the Astoria annex.

The president of the United States was among the guests. He was cordially greeted when he entered and again when, introduced by the chairman, Warren Miller, he arose to speak. His address aroused even more enthusiasm.

The other speakers, Mr. Search on "The American Manufacturer," Senator Freys on "The Merchants," Senator Charles Emory Smith on "Reciprocity and Commercial Expansion" and Henry E. Howland on "The Industries of a Nation as Affected by the Laws," were cordially received, but the honors of the occasion were with Mr. McKinley.

Demand For Currency Reform.

The president, after expressing his gratitude for the compliment paid him and referring to various objections of the government to the people, said regarding the currency question:

There is another duty resting upon the national government—to coin money and regulate the value thereof. It is the duty of the government to regulate the value of the money of the country. It is the duty of the government to regulate the value of the money of the country. It is the duty of the government to regulate the value of the money of the country.

Under existing conditions our citizens cannot be excused if they do not redouble their efforts to secure such financial legislation as will place their honorable intentions beyond dispute.

SHERIFF MARTIN'S TRIAL.

Proceedings Against Several Deputies Dropped, as They Were Not at Lattimer.

Wilkes-Barre, Pa., Feb. 2.—Not since the trial of the Molly Maguires has a case excited so much interest in the coal regions as that of Sheriff Martin and his 82 deputies, just begun in the Luzerne county court. Long before the case was called to order the room was crowded, and it was found necessary to close the doors. When this was done, there were in the corridors hundreds of persons who were unable to gain admission.

Sheriff Martin and his deputies are charged with shooting and killing 21 striking miners and wounding more than 50 at Lattimer, this county, Sept. 10, 1897. The deputies marched in a body and after searching the mines began to read newspapers, apparently unconcerned.

Judge Woodward presided. The first move was made by District Attorney Martin, who asked that special attorneys for the prosecution, five in number, be allowed to assist him. Counsel for the defense raised no objection.

The commonwealth, thereupon asked for a nolle prosequi in the cases of Leonard Babcock, William Drum, John Dougherty, J. J. Gallagher, William Mulhall, Fred A. Stepp, William Costello, William Sirewell, Calvin Barbee, Jr., John W. Crooks, Jr., R. C. Warriner, George A. Harris, Samuel Arnold, Craig Anderson and Samuel Gundry.

A SCORE OF LIVES REPORTED LOST ON THE ATLANTIC COAST.

Many Fishing Schooners and Other Craft Wrecked Off Cape Ann—Great Damage Done Around Boston—Work of the Blizzard in Other Quarters.

New York, Feb. 2.—From the east and the west, from up the state and neighboring waters, come stories of wreck and ruin in the wake of the storm king. Its main fury was expended upon the New England coast, although its joyous exultation over New York, New Jersey, Connecticut, Pennsylvania and as far west as Michigan.

Greater New York, in the grip of two big snowstorms, was fortunate when compared with other sections, though suburban trolley lines were completely blocked and local railroad trains ran slowly and far behind time.
