CORRESPONDENCE

Correspondents are particularly requested to send in all news in-tended for publication not later than Wednesday in each week to insure insertion.

LAYTON.

One of our Justices issued a warrant last week, to bring a culprit to book, for assault and battery. The alleged culprit was battered too, to some extent, but that has nothing to do with this case. The Poor-master slipped the culprit to another nitment to the Alms House, and landed his man there ley, interment in the cemetery by the before the constable and the warrant got church. around. He done his job neatly and expediciously, and further developments are awaited with much interest.

There are two smart young men along the River, or at least they have a good opinion of themselves, who by their manners when they are out you would know their names are Siglar and Bell. They could easily, and should promptly im tination. They took refreshme
