

Health for Everybody!

When the Kidneys, Bladder and Urinary Organs are in a healthy state, a person is practically disease-proof. Sickness can hardly find a foothold when these organs are well and strong. The Kidneys sift and strain from the blood poisonous and waste matter. When they are weak and diseased, the poisonous particles do not pass off, but remain in the system. They cause pain in the small of the back, Stone in the Bladder, and Bright's Disease.

Nothing is so good for curing diseases of the Kidneys, Bladder and Urinary Organs as Dr. David Kennedy's Favorite Remedy, that grand medicine which has been before the public for over 30 years. It should be taken without delay by men and women who have any of the above symptoms, as the disease is apt to prove fatal if not attended to.

From the Convent of the Good Shepherd, Troy, N. Y., comes this short but pointed endorsement, signed by the sisters that of famed and pious institution:

"We have used Dr. David Kennedy's Favorite Remedy for Kidney trouble, and have found it very efficacious."

Sample Bottle Free!

If you wish to test Favorite Remedy before buying it, send your full postoffice address to the Dr. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mention this paper. You will then receive a sample bottle, free, and circulars giving full directions for its use. You can depend upon the genuineness of this offer, and all sufferers should take advantage of it at once. The regular size is sold by all druggists for \$1.00 a bottle, and it is well worth the price.

The Sugar Beet.

Our State college has sent out a bulletin on the sugar beet in Pennsylvania. It states that the consumption of sugar in the United States is nearly or quite two million tons annually or about 62 pounds to each person. Of this amount 85 per cent is imported from foreign countries, and its actual value at ports of entry, not including customs duties, averaged for the years 1891-5 over one hundred million dollars. Within the past two years there has been a notable revival of interest in the question whether this country cannot produce its sugar and particular attention has been directed to the sugar as a source. The sugar beet is now producing 64 per cent of the world's sugar supply and nearly all this amount is produced in the countries of Continental Europe. Of our own domestic production of sugar amounting to about 300,000 tons per annum, 84 per cent is produced from the sugar cane, 14 per cent from beets and 2 per cent from miscellaneous sources. The problem of domestic production of sugar from beets is divided in two questions, first the production of the beets and second manufacturing sugar from them. The industry cannot be carried on successfully except on a very large scale. The smallest size of factory profitable must have capacity of three hundred tons of beets a day and will cost two hundred thousand dollars. Farmers cannot manufacture beet sugar with simple and inexpensive apparatus. A factory must have a large territory tributary to it, and running seventy days, would consume the product of 2,100 acres assuming the product to be ten tons per acre which is a fair crop. The cost of raising beets per acre is fairly estimated at from \$30 to \$40, and the value of the crop at the factory would range from \$40 to \$60. This State has a good "sugar beet belt" but whether any given locality is adapted to raising them can only be told with certainty by actual trial. From the above it would seem that sugar beets could not be profitably grown in this county for the reason, if no other, that sufficient land conveniently located so as to be contiguous to a factory could not at present be found.

WOOD AND COAL.

IMPERIAL QUICK TIME RANGE.

All Baking Records broken, 278 Loaves of Bread Baked in Seven Hours with but 18 Pounds of Coal. SWINTON & CO., PORT JERVIS, N. Y.

To New and Old Subscribers!

A Special Offer. We have made arrangements to get for our subscribers a valuable set of premiums, and are able to offer them almost free of cost.

FARM NEWS. WOMANKIND.

Regular subscription price, 50 cents. Farm News now reaches more than 80,000 families. It holds this large and loyal following of subscribers, because they regard it as one of the chief essentials of their success in farming. It keeps in touch with the most progressive agriculture of the day, it is scientific in its spirit, and at the same time it never loses sight of the practical, the farmer values in his every day work, because in it he finds what other successful farmers are doing, and how they do it. Its 16 pages contain no "dead weight"—no "fillers." Every line counts. If you know anything about the farm and farm life, examine Farm News and you will understand how much its subscribers appreciate it. And it grows better every number. Compare it with any other farm paper, and it stands ahead in practicality and real value.

We will send one of the above papers—(take your choice)—free for one year to every person paying up his subscription to the Press one year in advance. We are sure you will be pleased with either paper. We selected them because we know you would like them.

OUR PREMIUM BOOKS.

"BUTTER MAKING." A series of prize essays in which farmers' wives and daughters, who are in the habit of getting the top prices in the markets, tell how they make their butter. It is a most valuable book. Price 25 cents.

WOMANKIND COOK BOOK. This Cook Book covers the entire range of the culinary art. The recipes in it were selected from the favorite recipes of Womankind readers so that in this you have the best things from several hundred practical housekeepers. Price 25 cents.

FARM NEWS POULTRY BOOK. Written to meet the needs and demands of the farm poultry yard, rather than that of the fancier. It tells all about different breeds, their characteristics and what may be expected of them; tells about feeding and hatching, about diseases and their cures, and is, in short, a complete guide to making the hens pay. Price 25 cents.

Our Great Offer. We will send this paper one year, price \$1.50, Farm News and Womankind 1 year, "1.00, and the three Premium Books, price 75. Total value \$3.25 for only \$1.75.

Remember, you get these three valuable Premium Books, and three valuable Papers for only \$1.75.

Don't you want them? They are worth actual dollars to you.

Address Pike County Press, Milford, Pa.
