Why not be well?

If you are suffering with any disease of the Kidneys, Bladder or Urinary Organs, Dr. David Kennedy's Favorite Remedy will make you well again. It has cured cases that bordered on the miraculous. It quickly cures men and women of inability to hold

urine, and they are not compelled to get up often and make water at night. It removes the scalding sensation in passing it, and, when taken according to directions, it invariably cures pains in the small of the back. Favorite Remedy not only cures Stone in the Bladder and Bright's Disease, but prevents them from developing.

One case is that of JOHN J. NEILL, of 2011 North Eighth Street, Philadelphia, Pa. In 1889 he began to suffer indescribable miseries from Stone in the Bladder, An eminent physician said a surgical operation was necessary. If unsuccessful it meant death, and Mr. Neill put off the evil day as long as possible While in this frame of mind he heard of Dr. David Kennedy's Favorite Remedy, and bought it. Before he had finished the third bottle the gravel was completely dissolved and his sufferings were at an end.

Favorite Remedy is a perfect Blood and Nerve medicine. It restores the liver to a healthy condition, cures the worst cases of Constipation, and all diseases peculiar to females. It cures Scrofula, Salt Rheum, Rheumatism. Your druggist will sell you a regular full-sized bottle for \$1.00.

Sample Bottle Free.

Those sufferers who wish to try Favorite Remedy before buying should send their full postoffice address to the Dr. David Kennedy Con-PORATION, Rondout, N. Y., and mention this paper. A free sample bottle will be sent them prepaid, together with full directions for using. This is a genuine offer, and all our readers can depend upon it.

Good Government.

The Christian Endeavor society has given much attention to the subject of good citizenship. This is an important question at the present our own. It is very desirable that the community should make a more decided impression in the political affairs of the nation and municipality. Corrupt methods and measures are shamelessly pushed and evil is alarmingly aggressive. The only hope of the times lies in awakening the Christian conscience and arousing to action those who desire the rights of all rather than personal gain and greed.

Some time should be given in duties of citizanship. Our young low men, that word becomes a judgmore of the machinery of government. Got some man in public life to give an evening's talk explaining the mode of conducting elections, the way the city and town are governed, the manner of assessing and collecting taxes, the different departments of public service and the
