EDITORIAL.

HIS LETTER

COL LEWIS last week in a letter to our esteemed contemporary explains at length his meaning in his first announcement card, and reaches the general conclusion that the Senate was mainly responsible for foreing the itsee of arms So far as we understand popular sentiment, we think the President was upheld by the great mass of the people, in his position. The Representatives in Congress elected discovered and disinfered and disinfered and disinfered and distinct the sight care of the Atlantic, and may as well prepare for a disappointment. Spain can get peace by asking for the terms of the U.S. and accepting those terms without the slightest change, and in no other way. Having taken the trouble and gone to the expense to get ready to cares a special ment on this side of the Atlantic, and may as well prepare for a disappointment. Spain can get peace by asking for the terms of the U.S. and accepting those terms without the slightest change, and in no other way. Having taken the trouble and gone to the expense to get ready to cares a spain, this government will not order the slightest delay in the crusing in response to Spanish the Senate was mainly responsible for forcing the itsee of arms. So far as we understand popular sentiment, we think the President was upheld by the great mass of the people, in his position. The Representatives in Congress elected discovered and distribution of the composition of the Michael Propagation of the Atlantic, and may as well prepare for a discovered that the discovered the first expense of the Question.

In the Intervent there would be appointment. Spain can get peace by asking for the terms of the U.S. and accepting those terms without the slightest change, and in on other way. Having taken the trouble and gone to the expense to get ready to crush Spain, this government will not order the slightest delay in the crushing in response to Spanish the same of the peace of arms. So far as we understand popular sentiment of the peace of the Atlantic, and may may in
