MONTAGUE.

MR. EDITOR: Around the Nail Keg was gathered the other day the remnants of the Lairs' Club (the rest are on their annual vacation to lay in a new stock.) Snakes, fish, dogs and cats, and even people, were talked about, but as nobody was hurt the meeting broke up subject to the next show.

Well! here we are just where we started (to build the new church I mean.) The committee having the matter in charge have again changed their minds and as they were expected to do something they did. Voted to move the present building toward the road and make such repairs as will make it a comfortable and respectable looking building. What repairs will be necessary was left to Messrs. Gran, Marthis and McCarty to investigate and report to the full committee which has been augmented by the election of Wm. P. Hornbeck, Jas. A. Humble, and John Everitt. The report will be presented next Saturday evening, and perhaps then it will be voted to build a new church again; Heaven only knows.

What might have been a drowning accident was averted by the timely arrival of Arthur McCarty, of Milford, who pulled a couple of ladies out of the Delaware, into which they had been spilled by the upsetting of their boat last Thursday afternoon. The ladies are guests at the Shady Glen.

May Hooker is visiting friends in Elmira.

Henry Miller, of Newark, is visiting Montague friends.

Miss Josie North, of Brooklyn, is renewing old acquaintances here.

De Bala Pettibone called here Friday.

Robt. S. Youngs spent last week in New York.

Mrs. Sylvia Cole, of Dingman Township, was over here Friday.

Ed. Mott, of Vernon, was a visitor here last week.

Miss Julia Banker, of Branchville, spent a couple of days here with her mother's sister.

The L. A. S. of the Rfd. Church will hold their annual mid-summer fair and festival at the church on Tuesday, Aug. 16, both afternoon and evening. If stormy next fair day.

Rfd. S. S. picnic in Hornbeck's Grove on Thursday, Aug. 15, providing.

Are you going to Culver's Lake next Saturday?

No weary person should choose the ditch along side the road for a sleeping place, neither should a man with a jag on abuse his horse, and people who travel the road at midnight for pleasure or on business should not act like fools and awake the dead with their noise.

The latest arrivals at Riverside are Misses L. and J. Robinson, Mrs. John Nelson, Miss Marion Sheridan, George Clark, and Mrs. Gott, of Brooklyn, and Miss Nellie Moore, of New York City.

The amount of State and county money for school purposes apportioned to Montague for 1893 is \$1122.77.

LAYTON.

The annual re-union of the 15th regiment (infantry) will be held at Rocks way on Thursday, Sept. 14th, and that of the 1st N. J. cavalry will be held at Beantown on Wednesday, Sept. 14th. These are occasions of deep interest to the veterans, and the dates and places are both so near together that it will enable them to attend both quite easily.

Rabbits are a full crop this year, to all appearances, as we saw fifteen cottontails of various sizes on a recent trip to Fort Jervis and return.

mile of their home. The little girl was within a foot of the snake before discovering it, but was true grit and assisted in the killing. The snake bore five rattles. It is reported that W. D. Price, of Branchville, will give \$25 and raise enough to make it an even \$100 for the Frankford end of the old burrapple, if the Township Committee will appropriate a like amount for that purpose. The Committee should not stand on the order of their acceptance of this generous offer as the mountain road is in a horrid condition. It deserves mention right here that the Price Bros. are noted for their public spirit and will be found in every movement for the improvement of the roads, would that there were more men just like them.

"Cal." Owens and wife, of Newark, are enjoying their summer vacation at the home of his parents and getting a good healthy color by assisting at the farm work.

Abraham Johnson, of Beavans, who was severely injured by falling from a load of hay, is improving and we hope will now make a rapid recovery.

The first brood of young quail are few in number by reason of the extreme wet spring, but the later broods are fine. Woodcock young were drowned out too, and as to partridge, I have not been able to look for them sufficiently to render any opinion as to whether their young have withstood the wet of early spring or not. Rabbits are certainly plenty and as the nut crop promises well squirrels will probably be numerous.

The shower on Wednesday night of last week combined about the greatest fall of water and amount of electrical disturbance of any shower of the season. The hills on the road across the mountain are washed down to the gravel and hard pan, and repairs will now be absolutely necessary.

R. H. Everitt was suddenly taken ill last Thursday while sitting on the Hotel porch in the village, and was assisted home by Mr. Montross. He is receiving medical attention from Dr. Hughes, and though his condition is considered serious, his friends hope for his ultimate recovery.

On a trip to Port Jervis last week we had the pleasure of meeting the versatile and excellent Montague correspondent, J. Henry Ludwig, and receiving from him a resume of the inception and progress of graveling roads in that township, in which work he has taken a prominent part. The gravel discovered at Kerr's is of superior wearing quality, and becomes firm very quickly. It is a pleasure to write on it, and the only objection is its narrowness, which is easily remedied when the next application is made. It is a grand, good work.

The Board of Education met at the Hainesville school house on Saturday. A committee was appointed to inspect every school house in company with the resident trustee, and see what repairs are needed, get the lumber therefor in one load, and employ Charles Gran to put them all in shape at once. The coal will be bought by the car, and the hauling let to the lowest responsible bidder. It was also decided to put patent seats in the Hainesville school house. Taken altogether it was one of the most business like meetings the Board has ever held.

At the sale of privileges of the Farmers, Mechanics, and Tradesmens Picnic on Saturday, fair prices were realized. \$150 was the total of the sale with a few minor privileges yet unsold at this writing.

During the heavy shower of last week, lightning played serious pranks with the Sussex Co.'s phones, and it is reported that the "funny stuff" cavorted around in the switchboard of the Newton central at a great rate. It is safe to say that the electrical expert swore a few, and perhaps some of his patrons did likewise.

On Friday evening last, to Mr. and Mrs. George Stell, of Walpack, their first born, a fine baby girl. The fond parents are justly proud and both doing well.

DINGMANS FERRY.

Oats are being gathered and are very light. Mr. Syms has made his annual visit to Silver Lake.

Pierre M. Niles, the genial Justice of the Peace at Silver Lake, who has been recently prostrated by a serious illness, is now convalescent.

I suppose, in order to settle this Philippine business, some of us fellows ought to go out there and buy them, if they suit us.

Herman Lange, clerk at the High Falls Hotel, has suffered a few days illness recently.

A baby boy has come to brighten the home of Mr. and Mrs. Joseph Canne, of Centre District. The little fellow is bright and lively, and his parents are happy, indeed, at his arrival.

Major Gaylord Mc Fall died suddenly at his residence in Dingman's, at an early hour on Saturday morning last, having been seriously ill but a short time. The old gentleman was a veteran of the Union Army, and has lived in Dingman's for two summers past. He was kind and social, and won many warm friends in this village, who sincerely mourn his death. He came from Nyack to this place, but was formerly from Mansfield, Ohio, and his remains were taken for interment.

Mrs. Sophia Decker, formerly of this place, but now a successful teacher in the Sussex Co. schools, together with her daughter, is visiting old-time friends in this locality. She was a daughter of the late Thomas Preston.

Fine Trotting. The races which will take place at the Tri States Driving Park above Port Jervis Aug. 16, 17, 18, & 19, promise to be events of interest. No doubt those who enjoy a good race will take the opportunity to visit the grounds some of the days mentioned, and judging from the prospectus will not be disappointed in so doing.

MATAMORAS.

The King's Daughters connected with Epworth Church held their second anniversary on Tuesday evening at the residence of Mrs. Henry Westfall. The following officers were elected for the coming year: President, Miss Kate Walls; V. P., Miss Estelle Adams; Secretary, Rev. E. W. Morton; Treasurer, Miss Minnie Hill. Cake and cream were served at the close of the business meeting. The evening was spent very pleasantly and many thanks are tendered Mrs. Westfall for entertaining them so nicely.

Misses Ida and Lottie Westbrook and brother Jake took in the Niagara excursion last Saturday evening. They also visited Toronto, coming home a day or two later.

Miss Laura Lyman, Miss Hannah Malony and Miss Fayette Lyman also took in the Niagara excursion. They report having had a pleasant time.

Mr. John Wonnecott of Matamoras entertained a few of her friends at her home on Washington street Monday evening. Good music was enjoyed and refreshments were served. The guests enjoyed the evening very much.

Mrs. Albert D. Cook and son Harry of Princeton, N. J., are the guests of Mrs. D. B. Allen of Matamoras. Mrs. Allen is a sister of Mrs. Cook. Mr. Harry Cook is a student at Princeton College.

Misses Lulu and Bertie Lemon of Fairfield, N. J., are visiting their grandmother, Mrs. M. Wood of Matamoras.

Miss Hattie Allen and Miss Ida Corwin returned on Monday from York Pond where they have been sampling with a party for week.

The Christian Endeavor society connected with the Epworth church of Matamoras, took charge of the services on Sunday evening. Mr. C. Langton had charge of the services and they were of a very interesting nature. The principal subject was temperance. Rev. E. W. Morton, the pastor, gave a fine address on Legislation Temperance. His discourse was very fine indeed and pleased the large audience present. The singing by the different soloists was excellent. The duets of Mr. Morton and Miss Billman were very pleasing. Miss Irene Kimble gave a good recitation. The choir rendered excellent music. Miss Emma and Corn Billman each read a piece and also Mr. C. F. Langton. The program was as follows:

Singing—Choir. Scripture and prayer—Rev. E. W. Morton. Singing—Choir. Song and chorus—Blanche Watts. Recitation—Irene Kimble. Vocal duet—Miss Billman and Mr. Morton. Reading—C. F. Langton. Recitation—Corn Billman. Singing—Choir. Remarks on Legislation and Temperance—Mr. Morton. Vocal duet—Miss Billman and Mr. Morton. Benediction—Rev. E. W. Morton.

The King's Daughters, connected with the Epworth church, held a lawn social at the residence of Mrs. Edwin Lord on Pennsylvania avenue Friday evening. The grounds and lawn were all illuminated with Chinese lanterns and the piazzas were decorated with red, white and blue bunting which made a pretty appearance. The ice cream was of the best quality and the young ladies waited upon their friends in first-class style. A considerable sum was realized for the benefit of the society.

The annual picnic of the Sabbath school of Hope church was held on Thursday at Buckley's Grove. Messrs. Allen and Hough furnished wagons to convey the pupils and friends to the grove. The little ones were early at the church all ready with their baskets and smiling faces. It was a pretty sight to see them all attired in their pretty light dresses. An excellent dinner was prepared at the grove by the ladies of the church and after the regular dinner, ice-cream was served, which was very much enjoyed.

The day was a pleasant one both for old and young and nothing happened to mar the pleasures of the day. At 5 o'clock the wagons were in readiness to convey them all back to their respective homes. The day will long be remembered by those who participated. Over three hundred were in attendance, including pupils and friends.

A small party of ladies and gentlemen of Matamoras went on their wheels to a small grove down the Milford road. They left town about five o'clock and had their supper in the grove. The ladies furnished the refreshments. After supper they all proposed to take a ride to Milford and all had a very pleasant time.

Rev. E. W. Morton, of Epworth church Matamoras, has been absent for the past two weeks visiting at different places. He returns to-day and will conduct the sermons at the church Sunday.

THE "BUNION" SHOE.

Plenty of room for enlarged joints close fitting elsewhere. This describes shoes made on the "Bunion Last."

The foot with the bunion was very much like other feet before the bunion grew. It needs a shoe having more room in certain points.

It has been impossible to obtain a set of factory fit in ready made shoe.

The nearest approach to it was obtained by buying a shoe which was two or three sizes too long or too wide.

The "custom shoe maker" has frequently failed to give a satisfactory fit simply because he had no last of proper shape to work on.

He put on a bunch here and a bunch there, but the outline was wrong and the shoe didn't fit.

The "Bunion Shoe" is the only shoe that will fit the foot with a bunion or an enlarged joint. The words "Bunion Shoe" and "Bunion Last" registered as trade mark, May 7, 1892.
